Date: March 8, 2011

To: Parks & Community Services Board

From: Mike Koenig, Aquatics Manager

Subject: City of Bellevue Aquatics
(Informational – no Board action requested)

At the March 8 Park Board meeting, I will present an overview of the Bellevue Aquatic Center and Outdoor Aquatic Programs. A PowerPoint presentation will also provide an overview of the content of Bellevue's recreational aquatic programming.

Bellevue Parks & Community Services operates an indoor Aquatic Center with two swimming pools: a traditional 25-yard lap pool with attached diving well and a warm water therapy pool, along with an outdoor lifeguard swimming program, a small craft program, and a boat launch. In 2003, the Bellevue Aquatic Program received the prestigious "Excellence in Aquatics Award" presented by the National Recreation and Parks Association (NRPA).

I look forward to the opportunity to present this information to you, and answer any questions you may have.
