I had a teacher tell me a cute story today.

She had a little boy in class that just recently moved. Every time they would play dress-up in class, he would dress up as "Farmer Jayne". She would ask him "Don't you want to be Farmer Logan?" He would answer, "No, just Farmer Jayne."

So fun to know what you do has an impact on other people's lives.

We are all so blessed to work at such a beautiful facility with people who are happy to visit.

See you soon,
Jayne
