### \*NOTES:

- 1) If unsure of field category, please refer to the Fees by Field file.
- 2) To receive the Youth Resident or Youth Non-Resident Fee, youth organizations and schools must be registered as a Non-Profit with the State of Washington and/or IRS. Also, they must offer a Scholarship program or have a reduced fee policy for participants that qualify. Documentation of this policy must be provided to the City of Bellevue upon request.
- 3) In addition, to qualify for the Bellevue Resident Youth rate, a youth organization must have 80% or more of the participants that live within the City of Bellevue or Bellevue School District boundaries.
- 4) Adult fees apply to field use by adults & youth combined or Commercial use.
- 5) The Game Prep Fee is in addition to Field Rental Fee and applies to first baseball/softball field use after the field prep, if requested. The Partial Game Prep Fee will apply when the City crew can only accommodate a partial prep.
- 6) We offer a Non-Peak Rate on the full synthetic turf fields that applies to use prior to 3:30 pm on days when the Bellevue School District is in session. The Non-Peak Rate is the same as the Bellevue Resident Youth Use rate, regardless of user group status.

Fees subject to change without notice.
