Conditional Use Permit Application ) for the South Bellevue Segment of the	DSD File No. 17-120556-LB
Energize Eastside Project	ORDER DENYING MOTION FOR
PUGET SOUND ENERGY, Applicant	CONTINUANCE AND MOTION TO COMPEL

Having considered all briefing and supporting materials submitted on behalf of the moving party, CENSE, which submitted two motions through their attorney of record – (1) seeking to continue the pre-decision hearing on the above-referenced application and consolidate the matter with future applications associated with the Energize Eastside Project, and (2) to compel the applicant to produce certain materials/data before such hearing – and the opposition briefing submitted by the applicant (PSE), and the Department, the Examiner respectfully denies both motions. The hearing will go forward as scheduled. The burden of proof in this application rests with the applicant.
