

Eastgate Park Trail

.3 Mile

Eastgate Park provides a setting for a variety of indoor and outdoor recreational activities. The South Bellevue Community Center includes indoor gymnasiums, a fitness center and a climbing wall.

Outside park areas include a ballfield, tennis courts and a challenge course which helps participants build self-confidence, teambuilding and physical skills.

Nature trails provide easy access for the study of native plants and wildlife and provide outdoor fitness opportunities for hiking and jogging.
