Prevailing Wage rates for prevailing wage contracts are published on the first business day of February and the first business day of August of each year. These rates become effective thirty days after the date of publication. Should the increase in wages due to employees exceed the contract amount, the Contractor must notify the City forty-five (45) days prior to the anniversary date of the contract in order to amend the contract. Failure of the Contractor to comply with the terms of this section may be considered by the City to be a material breach of this agreement.

**Intents and Affidavits**
Prevailing Wage contracts require that each and every Contractor and Sub-Contractor (“Contractors”) on the contract file the Statement of Intent to Pay Prevailing Wages (Intent), and Affidavit of Wages Paid (Affidavit) Public Works contract form. The Contractors are responsible for filing all forms with L&I and shall be responsible for paying all filing fees. Once forms are approved by L&I, Contractor shall submit forms to the City. There is no minimum dollar contract amount. Intent and Affidavit forms are required for every prevailing wage contract regardless of the size of the contract.

The Intent form is filed annually on the anniversary date of the contract. The City shall not make the first annual payment until Contractors have submitted an Intent form that has been approved by the Industrial Statistician.

The Affidavit form is filed prior to the final payment of the annual contract. The City shall not release final annual payment until all contractors have submitted an Affidavit form that has been certified by the industrial statistician.
