Overview ....................................................................................................................................................1
Methodology ...........................................................................................................................................18

Bellevue: A Community Profile ...........................................................................................................22
Utilizing data from the U.S. Census 2010 and the 2007-2011 American Community Survey, this section gives a short demographic overview of Bellevue residents.

Quality of Life in Bellevue ...................................................................................................................35
This section describes Bellevue residents’ perceptions about the community, including both assets and problems.

Special Focus Area:
The Affordable Care Act - Implications for Bellevue .....................................................................43

Goal Areas
The Human Services Needs Update is organized using five community goal areas initially developed by United Way of King County. Each section summarizes data collected from a variety of sources, including examples of what’s already working to improve conditions in that area, prevalence, service trends, community perceptions, and implications for future planning and action.

Goal #1: Food to Eat and Roof Over Head ........................................................................................49
Goal #2: Supportive Relationships within Families, Neighborhoods, and Communities .....................65
Goal #3: A Safe Haven from All Forms of Violence and Abuse ........................................................76
Goal #4: Health Care to Be as Physically and Mentally Fit as Possible ............................................89
Goal #5: Education and Job Skills to Lead an Independent Life .........................................................104

Specific Populations
Six specific populations are included here that merit a separate section due to the amount of information available and their impact in the community.

Older Adults .........................................................................................................................................117
People with Disabilities ....................................................................................................................133
Refugees and Immigrants .................................................................................................................145
School-Aged Children & Youth .......................................................................................................158
Veterans .................................................................................................................................................173
Bellevue Adult Misdemeanant Probation ......................................................................................184

Appendices:
Appendix A: Tables of Phone Survey Results ..................................................................................190
Appendix B: Demographic Profiles/Telephone Survey Summary .................................................192
Appendix C: Zip Code Map ..............................................................................................................195
Appendix D: Community Conversations ..........................................................................................196
Appendix E: Key Informant Interviews ..........................................................................................198
Table of Contents (continued)

Appendices (continued):

Appendix F: Health Care Glossary .............................................................................................. 199
Appendix G: Methodology for Phone/Online Survey .............................................................. 200
Appendix I: Bellevue Employee Interviews .............................................................................. 202
