Subject: Compliment for Beach Lifeguards

September 5, 2010

Dear Parks Manager:

I would like to compliment the lifeguards at Meydenbauer and Enetai beaches. I have been swimming in Bellevue for two summers, and have found the lifeguards to be pleasant, and very effective at keeping swimmers big and small out of trouble. They have a busy job managing this summer long beach party, and they do it well. They deserve a raise!

Thanks for your attention.

Sincerely,

Mrs. Christy Davies

Dear Mrs. Davies

Thank you so much for taking the time to compliment our wonderful beach lifeguard staff. I have had the great fortune to manage for many years these fine young men and women who patrol our beaches. It is never lost on me how well they perform their duties and how seriously they take their job. It is particularly gratifying when a beach visitor takes the time to acknowledge the guards efforts. Thank you so much for your comments.
