Hello Claude ~

I am a Bellevue resident and I play tennis at the Robinswood Tennis Center. Jason Chapman, the head pro, has been my USTA coach for six years. He is an exceptional coach and instructor. Recently, Jason has coached two National Championship teams: [2.5 Men's](#) and [3.0 Women's](#) And last year, his [2.5 Women's team](#) won Nationals. Also, he has coached numerous Junior Teams that have competed at the National level. It would be great to communicate his successes in the "It's Your City." I would love to nominate him for "City Employee of the Year" if there is a way to do that. Please let me know what recognition programs and/or communication vehicles are available to share Coach Jason's impact on the community.

~ Melinda
