

MEMORANDUM

Date: November 2, 2010

To: Parks & Community Services Board

From: Terry Smith, Assistant Director
Parks & Community Services

Subject: Park, Trail, Facility and Program Safety
(Information only; no Board action requested)

At the Tuesday, November 9, 2010 Parks & Community Services Board meeting, staff will provide information about park, trail, facility and program safety. This agenda topic is in response to the Board's request to learn more about Park Safety.

Representatives from our Resource Management, Natural Resources and Recreation Divisions will provide information and examples of how the Department works through prevention and intervention strategies to develop and maintain a safe environment for visitors, participants and staff.

We look forward to presenting this information.
