Subject: Comprehensive Plan Update – Joint Meeting Debrief

The majority of board members were able to attend the February 25, Joint Board and Commission meeting on the Comprehensive Plan Update. The timeline presented at that meeting (attached) allows the Board one more opportunity to provide the Planning Commission and City Council input on the plan update.

At the March meeting, the Board can discuss whether additional input is desired, or if the Board is generally content with the status of the draft plan.

Additional information on the draft is available for reference at this web site:
