Subject: Thanks

Just a quick note to say thanks for maintaining such an incredible park and nature trail. I was in town for business this week from Indy and was able to sneak in a run after my meetings. I stumbled upon the Bellefields Trailhead and enjoyed one of the most incredible runs of my life. It was my first time in the area and I literally was "stopped in my tracks" by the unbelievable beauty of the area. The work you're doing to maintain and preserve such an amazing environment is critically important not only to the plant and wildlife that call it home, but to those who rely on it to rejuvenate their mind, body, and spirit as well. So with that I'll just say thanks for all you're doing. I'll definitely be back soon and look forward to taking it all in once more.

Take care,

Scott
