See e-mail below from Pacific Northwest Basketball Official's Association (PNBOA) who provides Basketball Officials for the Bellevue Adult Basketball Leagues. On Saturday, April 23, they honored Scott Schoenrock at their annual banquet/meeting for his outstanding work and support of the officials who work games that Scott score keeps for.

Scott has worked part-time for the City of Bellevue for 34 years and has been scorekeeping Adult Basketball Games for 32 years.

The success of the Adult Leagues in Bellevue is due to the dedication of employees like Scott.

The PNBOA honored Scott Shoenrock, who has manned the scorer's table for Bellevue Parks over the past 30-plus years.

He's worked at many Eastside gyms, including Tye Community Center, South Bellevue, Hidden Valley, Crossroads and Highland Center to name a few.

He does a great job working with heated players and helping assist the officials with any issues.

Besides running the clock, he keeps detailed stats for both teams, giving the players their totals after the game.

When a 3-pointer is made; he'll let everyone in the gym know! As he yells "THREE!"

When we're shooting free throws you'll hear him say "Line it up, 1-and-1 ... 1-and-1 now!"

And finally, he's runs the only table to offer the infamous "Ref Gum," and he has plenty of flavors to choose from.

Our officials love Scotty, and love working the games in the gyms that he's supervising. He is a great individual who cares tremendously about the job he does.
