At your May 12 meeting, you will develop your recommendation for the renaming of Bovee Park to be presented to the Bellevue City Council. As you are aware, the process will follow the naming policy outlined in Resolution No. 8229 adopted 06/02/2011 (attached).

- After the close of the online survey, you will receive the results of the top 3 naming preferences from survey participants;
- You should make your naming recommendation to Council with a proposed motion to name park during your meeting.
 - *Suggested motion:* Motion for the Parks & Community Services Board to recommend to the City Council that Bovee Park be renamed_____.
(Naming recommendation to be identified on May 12); and
- Council is expected to review your naming recommendation on May 18.

I look forward to hearing your naming recommendation, and appreciate your leadership in this process.
