

**WESTWOOD HIGHLANDS HOMEOWNERS ASSOCIATION
BELLEVUE, WASHINGTON**

Dear Don,

Dear Don McQuilliams, Michael Hauer, Patricia Knight, Ron Matthew, Scott Vander Hyden, Tom Kuykendall, Mark Poch, Kurt Latt, Jeff Harsant (Kenton Designs), Vangie Parico

On behalf of the Westwood Homeowners (123 households) we would like to give all of you a huge **THANK YOU** for all the assistance, time and effort you have given to us in the past two years on the NEP, Matching Fund, Entrance Signs, Wall, Plantings, Road & Curve projects. We are ever so thankful for the improved safety in our road and curve on 137th PI SE. The new wall, two stunning entrance signs and plantings have already enhanced the beauty of the area. We are looking forward to "spring weather" and anticipating how the plantings will evolve.

We have had many positive comments by neighbors and outsiders on the great job done by all.

All of you have been very professional, courteous, and hardworking. We so appreciate each and every one of you and the attention to detail. Thank you from the Westwood Highlands Homeowners and Board members.

Sincerely *Jenny Minz*
