Hi Parks Maintenance,

GRS has posted a comment on your request, Trails:

"Wow, I'm impressed. In less than 24 hours the problem was fixed. Thank you."

Description

A bench has been tipped over at post 54 in the trail woods on the south side of the park. I'm concerned because it is the only bench, that I know of, in the trail area, and I see people with canes rest there. Thank you.
