Subject: Skyridge Park Service Project

Dear Mr. Doherty,

I would like to thank you and the Bellevue Parks Dept. in helping me and my scout troop perform a community service project at Skyridge Park two weeks ago on May 18. This is a big step in helping me reach my Eagle scout rank. I greatly appreciated how you had prompt responses to my questions, worked with me all six months and on the day of the project was one of the hardest working people.

Your friendly and welcoming approach towards the participants made the project fun and productive and really demonstrated the great relationship between the City and members of the community.

Best regards,

Andrew Swift
Troop 600 Bellevue, WA

Mark, thank you for assisting Andrew Swift with his Eagle Scout project and providing support the day of his work party on a Saturday. Excellent customer service and the project turned out great! Pat
