Subject: NW R/C Ship Modelers fun float schedule

Attention : Michelle Campbell

Per our phone conversation, please add Saturday, June 25, 2016 from 0800 to 1100 am to our fun float schedule. We are all sad the pond will be closed but look forward to next year.

Personally I would like to thank you for your always friendly, cheerful and helpful treatment of our requests.

Best regards,

David G
