

Memorandum

Phone: 425-452-2806
Date: July 14, 2015
To: Parks & Community Services Board
From: Scott W. Armstrong, Aquatics Community Services Supervisor
Subject: City Of Bellevue Aquatics
(Informational – no Board action requested)

At the July 14th Park Board meeting I will present an overview of the City of Bellevue's Aquatic Programs, which will include a PowerPoint presentation.

Bellevue Parks & Community Services operates two indoor swimming pools; a traditional 25-yard lap pool with attached diving well, a warm water therapy pool, six outdoor beach parks, a small craft program, and a boat launch. Twenty eight contractors utilize the pools, including swim schools, physical therapists, occupational therapists, High School swim and dive teams, USS swim teams, triathlon trainers, and exercise classes.

I look forward to the opportunity to present this information and answer any questions you may have.
