Subject: Bellevue Parks

I am not sure who the best person is to address this message, so I will include all of you whom I have had some contact with in the past.

I just wish to express my gratitude and congratulations to all the people in the Bellevue Parks Department. As I drive around my area of Bellevue, I have never seen the parks in such great shape. They were never in bad shape, but this year they are just outstanding. They are all kept up, mowed, weeded, trimmed, mulched, etc. They are a beautiful sight to see.

My own park, Weowna, is a joy to walk through. Robinswood is beautiful and has great sports fields. Phantom Lake Park looks wonderful, as does Spiritridge. Lake Hills is outstanding, better than any exclusive golf course or resort. Even little Hillaire Neighborhood Park is in great shape.

My congratulations to all the people in the parks department who have something to do with these and all the other Bellevue parks. I have never seen them so beautiful. Please spread the word. You people are doing a wonderful job.

Thanks.
