KELSEY CREEK LOG CABIN MINI CAMP

Imagine long skirts and bandanas, one room log cabins and no electricity. Venture down to the Fraser Cabin, built in 1888 for some Little House in the Big Woods fun. We'll explore how Laura and Mary, the Wilder girls from the late 1800's, lived and played without our modern conveniences. Learn why our farm animals were so important to the early pioneers. We'll tackle some farm chores, feed some farm animals, work in the barn, do some gardening, and play in the cabin for a special hands-on pioneer adventure. Wear clothes that can get messy and sturdy shoes. Bring a lunch and drink. Extended care not available. Min 8/Max 16
