OF THE CITY OF BELLEVUE, WASHINGTON

Resolution No. 426A

**A RESOLUTION of the East Bellevue Community Council  
disapproving City Council Ordinance No. 5234, relating to the  
revision of Residential Land Use Charts that govern multifamily  
development in the Crossroad Subarea to be consistent with the  
Comprehensive Plan; amending the Residential Land Use Charts  
contained in Section 20.10.440 of the Bellevue Land Use Code.**

WHEREAS, on the 17th day of July 2000, the City Council of the City of Bellevue, Washington passed Ordinance No. 5234, relating to the revision of Residential Land Use Charts that govern multifamily development in the Crossroad Subarea to be consistent with the Comprehensive Plan; amending the Residential Land Use Charts contained in Section 20.10.440 of the Bellevue Land Use Code; and

WHEREAS, the subject matter of said Ordinance falls within the jurisdiction of the East Bellevue Community Council pursuant to RCW 35.14.040; and

WHEREAS, the EBCC held a public hearing on Ordinance No. 5234 on August 1, 2000, and asked the City Planning Department to answer questions regarding the Ordinance; and

"WHEREAS, the City Planning Department representative could not answer the questions posed by the EBCC during the August 1, 2000 hearing, and so the EBCC decided to continue their deliberations on Ordinance No. 5234 until the September 5, 2000 meeting; and

"WHEREAS, on September 5, 2000, a Planning Department representative provided additional documentation to the EBCC, in the form of a memo dated September 5, 2000 from  
Cristina VanValkenburgh; and

"WHEREAS, Ms. VanValkenburgh also informed the EBCC that the City acknowledged that the effect of Ordinance No. 5234 would be to eliminate the conditional use process for senior housing within the EBCC's jurisdiction; and

"WHEREAS, Ms. VanValkenburgh stated that although the intent of the amendment was to make the Land Use Code consistent with applicable Comprehensive Plan policies, the City did not intend to delete the requirement that certain types of senior housing proposals would not require a conditional use permit; and

WHEREAS, following the public hearing held before the East Bellevue Community Council on September 5, 2000 the Community Council voted in open meeting to disapprove Ordinance No.5234.

NOW THEREFORE, BE IT RESOLVED by the Community Council of the East Bellevue Community Municipal Corporation:
