

We require permits for the installation, relocation, addition, or repair to electrical systems.

Definition of valuation: The prevailing fair market value of the materials, labor, and equipment needed to complete the work.

(ROUND fee to the nearest dollar)

Effective 1/1/2024

- Review fee estimate is a credit against the review fee due at issuance; any additional review fee is calculated using the same method as the estimate. Your value may not be the same as that determined by the reviewer.

Charged only when the scope of work requires Building Review.
