

## City of Bellevue

Post Office Box 90012 Bellevue, Washington 98009-9012

**CITY OF BELLEVUE** is pleased to announce that we have made available a payment option to all of our vendors and suppliers. To achieve this more efficient form of payment, we have chosen Bank of America's **ePayables** credit card product.

The ePayables payment program offers many benefits:

- Enhancing your cash flow-expedites the receipt of cash by eliminating mail and paper check float.
- Saving time and money – reduces the labor, hassle, expenses, and risk associated with checks.
- Reduces exposure to check fraud
- Fits with existing systems and banking practices and requires no purchase of software, no modifications to your existing accounts receivable systems, and no changes to your bank or bank accounts.
- Going green - paperless electronic payments are more secure and help conserve the environment by eliminating printing and mailing of paper checks.

Our preferred method of payment is Bank of America's ePayables service. If you accept Visa/MasterCard payments, your firm can participate in this program.

If you are interested in learning more about **ePayables** and its' benefits, please go to:

City of Bellevue appreciates your products and services, and we look forward to providing your company with this more efficient payment option. For enrollment please contact me at the number below.

Sincerely,

Leslie Hernandez -Accounts Payable Supervisor
