SE 38th Street Gateway Landscaping

EASTGATE/FACTORIA PROJECT OPEN HOUSE

project location

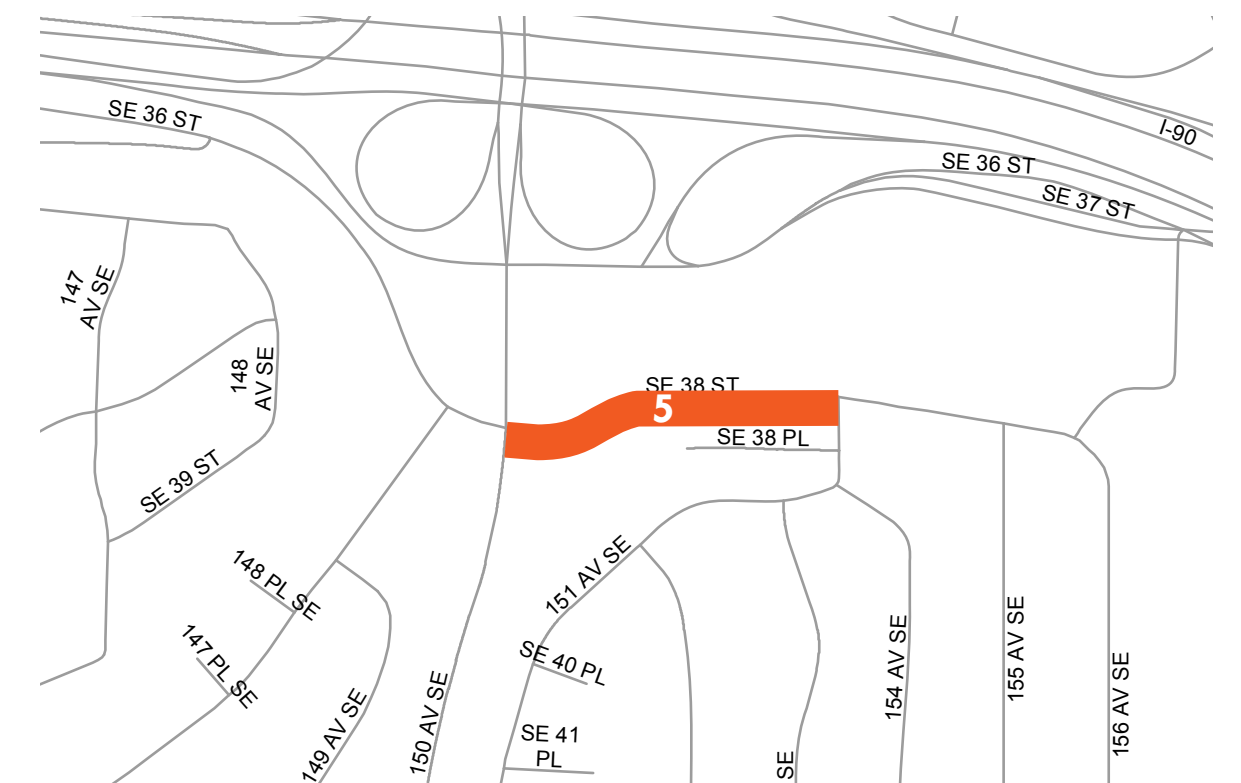

SE 38th Street, between 150th and 154th Avenues SE

project cost

\$90,000

project description

This project would remove blackberry shrubs and other vegetation along the north and south sides of SE 38th Street, between 150th Avenue SE and 154th Avenue SE. New shrubs and trees would be planted, irrigation would be installed, and existing sidewalks would be cleaned along the south side of SE 38th Street. Along the north side of SE 38th Street, trees in poor condition would be removed and replaced with new trees and shrubs, and trees in good condition would be pruned. Resident input would be solicited during the landscape design process for this project.
