## Eastgate/Factoria

Thank you for participating in the Eastgate/Factoria Neighborhood Enhancement Program! In March, 400 households selected their top three, of 26, proposed enhancement projects to receive Neighborhood Enhancement Program (NEP) funds. A total of **five** projects will be funded with the \$293,000 Eastgate/Factoria NEP allocation, which will also include associated planning, design, labor and materials fees.

Please take a moment to complete the online NEP evaluation (<https://www.bellevuewa.gov/nep.htm>). Your feedback is critical to ensuring that the Neighborhood Enhancement Program is meeting your needs, as well as informs planning and resource allocation decisions, program improvement, and policy development.

As we begin the implementation phase, we encourage you to remain engaged in the process by contacting project managers to provide input, tracking the status of the projects on the NEP website, and enjoying the built work!
