City Hall • 450 110th Ave NE • Council Room 1E-108

## “Talking About Trees”

Come learn about the recent tree canopy assessment, and share your ideas on how Bellevue can achieve its 40% tree canopy goal. The evening kicks off with a panel presentation about Bellevue’s tree canopy assessment, overall trends, trees in our parks and development. Following a short presentation, residents will participate in a facilitated discussion on tree-related issues.

City staff want to hear your ideas on how the city can partner with the community to preserve and grow Bellevue’s urban tree canopy.

Neighborhood Leadership Gatherings are open to all who are invested in the quality and health of their neighborhoods.

Parking is accessible from 112th Ave NE, on the P2 level of the city’s garage on a first come basis.
