Updated Parking Requirement in Effect

A new parking regulation in Bellevue will continue to prohibit parking in the same public place for more than 24 hours but adds a requirement that vehicles must be moved to a different block. The new ordinance took effect on Dec. 26, 2017.

The revised code (BCC 11.23.020) closes a loophole that allowed drivers to move their vehicles a few inches to avoid a ticket. The change means that people cannot store a vehicle in the same place on the street for an extended period. The vehicle must be moved to a different block every 24 hours to avoid a ticket which will cost \$42 beginning Monday, Jan. 1, up from \$40.

Information on this and other parking regulations is available on the city's parking rules and restrictions

**Bridle Trails
NEP Kickoff Meeting**

Neighborhood Enhancement Program Coming to Bridle Trails Area This Month

The Neighborhood Enhancement Program (NEP) is a \$5M, city-funded, capital improvements program that empowers residents to propose and select projects that improve their neighborhood's quality of life and enhance its character. The program rotates through the City's 14 NEP Neighborhood Areas, serving two areas each year, for a period of seven years (2015-2022). Since 2015, NEP has rotated through the Eastgate/Factoria, Cougar Mountain/Lakemont, West Lake Sammamish Neighborhood and NE Bellevue Areas.

This month, the NEP process will be launching in Bridle Trails, which has been allocated more than \$350,000 for enhancements. A kick-off meeting will be held on Wednesday, January 31, 2018, from 7:00-8:30 pm, at Cherry Crest Elementary School (12400 NE 32nd Street). City staff will provide attendees with a brief overview of the program guidelines and schedule, answer questions, and invite folks to share, discuss and submit project ideas. Following the kick-off meeting, each household in Bridle Trails will receive a prepaid NEP Project Request Form in the mail. We encourage all residents in the Bridle Trails Area to use this form, or the online project request form on the NEP website, to submit as many NEP project requests as they like by March 26, 2018.

Cultural Conversations Presents:

"Beyond What We See"

Wednesday, February 7, 7-9 p.m.

Bellevue City Hall, Council Chambers

Join with your friends, family, and neighbors, for the fourth annual Cultural Conversations evening forum of storytelling and community conversation. Come

hear the stories of diverse Bellevue residents who inspire others to move beyond the assumptions we make at first glance. Cultural Conversations, Bellevue's popular women's discussion group aimed at increasing cultural understanding and connection invites you to listen closely, adjust your focus, and be inspired to learn from each other.

This year's storytellers will share how initial – and often incorrect – assumptions prevent us from understanding and connecting. Four Bellevue residents will share their diverse stories reminding us of the gifts revealed when we open our focus "Beyond What We See."

These themes will be facilitated by Debbie Lacy, professional coach and consultant, followed by community table conversations. This event, free and open to the public is recommended for individuals age 13 and up, all abilities, cultures and faiths. Visitor parking is available in the P2 Level of the City's parking garage on a first-come, first-served basis. Communication Access Real-time Translation (CART) will be provided. For additional accommodation needs or more information about the program, please contact Carol Ross at 425-452-7917; RSVP at cross@bellevuewa.gov.

Lake Hills Library at Lake Hills Shopping Center

Do you listen well? Have you experienced what it is like to be truly listened to? Becoming practiced at the way you listen to others will

dramatically improve your focus, your relationships, your inner peace, and your professional life.

Through the interactive exercises in this class, you will become aware of your unhelpful listening habits, learn ways to calm your busy brain as well as others when they are angry or confused, practice forming useful questions, and become more confident when faced with a difficult conversation. In this 4 week, 8 hour workshop you will learn how to be a more artful, peaceful and attentive listener, and have the experience of being truly listened to.

This class is presented by the City of Bellevue's Mediation Program. The program's co-manager, Marcia McReynolds, will facilitate the workshops with the help of the program's volunteers. Marci has been teaching listening to thousands of people ever since her own life was transformed by the power of learning to listen 20 years ago. The City of Bellevue Mediation Program, our community's conflict resolution center, through staff and talented volunteers, help heal and negotiate the community's conflicts, primarily through utilizing the art of listening.

Class is on a first come, first seated basis, so please arrive early to assure you get a seat.
