- (a) Review & Update of Community Council Rules and Procedures

Monica Buck, Assistant City Attorney, provided an overview of proposed revisions to the Council's rules and procedures. She stated that there have been several amendments to the Land Use Code since its last update. There was Council discussion with Ms. Buck related to the proposed changes along with additional revisions requested by Council.

A draft rules and procedures resolution will return for Council consideration in March.

11. **NEW BUSINESS:**

- (a) Council Absences

Ms. Buck explained state law related to council absences. Basically, there are excused and unexcused absences. There is no process under current Community Council rules that establishes criteria as to what constitutes an excused versus unexcused absence. Under state law, if a councilmember has three consecutive unexcused absences he/she can be at risk for losing his/her seat by motion of the council.

Councilmember Seal stated he felt the allowance of electronic participation at meetings would address the current special circumstance and resolve issues related to attaining a quorum.

Chair Kasner clarified Ms. Buck's suggestion that at the very least Council should develop criteria as to what constitutes an excused or unexcused absence. Ms. Buck provided examples by which compliance is met related to an excused absence. As to the declaration of vacancy, she stated Council can rely on state law or develop criteria within their own rules.
