

# Bellevue Neighborhood Forum Series

## *Sharing Responsibility for the Common Good*

Thursday, April 19, 7–9 p.m.

**Bellevue City Hall**

## Move from a **VISION** for the Common Good to **ACTION** for community improvement!

Join this hands-on workshop where you can come together with your neighbors who share your commitment to action. Begin to imagine what real change could look like and move toward a plan to get there.

BILL GRACE, Director of Common Good Works, will facilitate the formation of small brainstorming groups focused on important community issues. This Spring, we addressed housing, at-risk youth and cultural diversity. Choose one of these themes or any other community issue you care about. The goal is to create small teams who will bring community action projects to fruition.

Attendance at previous Bellevue Neighborhood Forums is not required. Neighborhood Resource Center staff will be available to help move your project dreams to reality.

Dessert will be provided by Your Local Market.

### Bellevue Neighborhood Forums are sponsored by these neighborhoods:

- Bellecrest Neighborhood Association
- Bridle Trails Community Club
- Ellenes Addition Neighborhood Association
- Horizon Crest Community Association
- Horizon Heights Community Association
- Newport Hills Community Club
