Parking: Parking at most parks is limited and only available on a first-come, first-served basis. All groups are advised and encouraged to carpool or provide a shuttle service from the nearest Park and Ride. An alternative parking plan may be requested by the Parks Department depending on the size, location, and nature of your event.

Geese and Ducks are common visitors to park sites. Please be aware that you may experience droppings at the parks even though our staff attempts to control the situation. **Please do not feed the geese and ducks.**
