

NEW Bellevue Diversity Advisory Network

The Bellevue Diversity Advisory Network is seeking 12-16 community members to help the city better reach and serve Bellevue's diverse community.

"Bellevue Welcomes the World. Our Diversity is our Strength."

We need your help to ensure that Bellevue is a culturally responsive city guided by the principles of equity, access, inclusion, opportunity and cultural competency.

The city is looking for committed people that work or live in Bellevue; have cultural connections and knowledge of various segments of our diverse population; and are willing, curious and interested in bridging cultural gaps to strengthen community.

Volunteers are required to serve a two-year term and volunteer 2-4 hours a month. We define diversity broadly and are looking for a wide range of representation.

Recruitment is currently underway, and members will be selected in the fall of 2016. Application deadline is Sept. 21, 2016. For an application and additional information, please contact Mark Manuel, diversity outreach and engagement administrator at mmanuel@bellevuewa.gov or 425-452-7886.
