

Report for 100th Ave NE and Vicinity Complete Streets Project: Improving Traffic Safety in Your Community

Response Counts

1. Tell us about yourself. Do you...

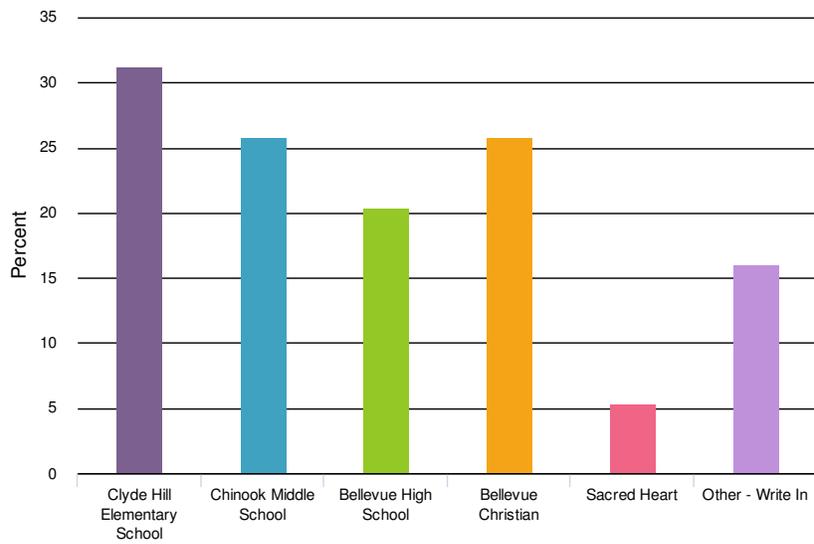

Value	Percent	Responses
Live on 100th Ave NE	13.0%	19
Live on side street between Bellevue Way and 98th Ave NE	47.3%	69
Work at a nearby school	4.8%	7
Have a student at a nearby school	45.2%	66
Attend a church in the area	14.4%	21
Attend classes at NW Arts Center	8.2%	12
Other - Write In	24.7%	36

Other - Write In	Count
live in Vuecrest	2
100th Ave NE at NE 31st (outside project study area)	1
Cub Scouts at area church	1
Drive a carpool picking up on NE 16th off 100th Ave NE	1
Drive this every day to and from BCS Main Campus	1
Have a toddler that will attend Clyde Hill	1
Have children at Bellevue Christian 3 points campus and travel in this are daily.	1
I live on 14th and 97th	1
I regularly ride my bike on 100th	1
Live in Vuecrest and I often use the Vuecrest East entrance cross street of 10th St & 100th Ave NE.	1
Totals	35

Other - Write In	Count
Live in Vuecrest and one of four three entrances/exits is on 100th. Also walk a large dog daily.	1
Live in cue crest off of 100th and 10th	1
Live near	1
Live nearby and walk 100th often	1
Live on 100th and be 21st street	1
Live on 94th Ave NE but walk and drive through tihs area regularly	1
Live on 98th	1
My closest cross street is 28th Pl and 100th	1
Neighbor in North Bellevue	1
Not just 100th but students use 15th, 16th and 18th as well.	1
Vuecrest	1
Vuecrest East entrance cross street of "10th St & 100th Ave NE.	1
Walk my dog on 100th every day	1
frequently use 100th to/from Clyde Hill and downtown Bellevue	1
had children that attended nearby schools	1
live and walk in the area	1
live in Vuecrest	1
live on NE 21st Pl west of 92nd NE	1
my FT work is in this area	1
own on a side street between Bellevue Way and 98th Ave NE	1
tax paying home owner in Vuecrest	1
vuecrest	1
walk in the area	1
walk it frequently, and live nearby	1
Totals	35

2. If you have a student(s) living in your home, what school do they attend?

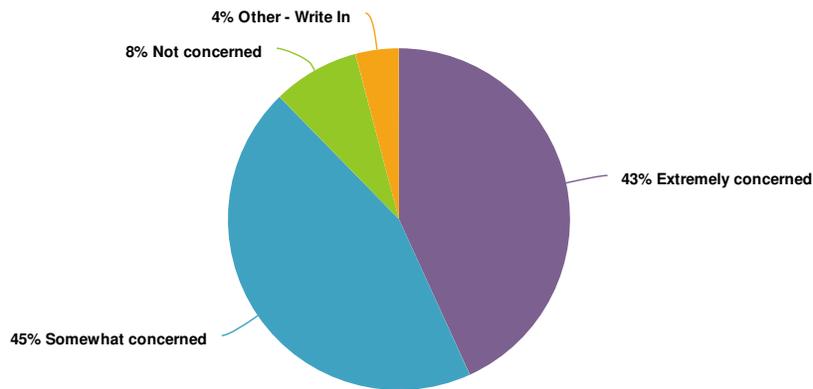

Value	Percent	Responses
Clyde Hill Elementary School	31.2%	29
Chinook Middle School	25.8%	24
Bellevue High School	20.4%	19
Bellevue Christian	25.8%	24
Sacred Heart	5.4%	5

4. How concerned are you about traffic safety on 100th Ave NE?

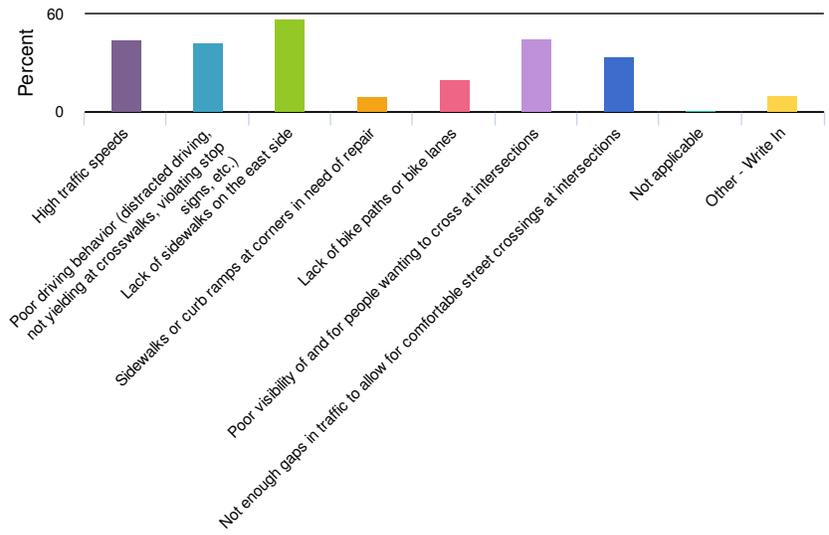

Value	Percent	Responses
Extremely concerned	43.2%	63
Somewhat concerned	44.5%	65
Not concerned	8.2%	12
Other - Write In	4.1%	6

Totals: 146

Other - Write In	Count
Extremely concerned on the section btwn 31st and 28th	1
Just the 4 way blinking light intersection. Needs better cross walks there that light up or have flags to cross	1
More concerned with 98th (north of CHE)	1
Yes and also on 18th because of no sidewalks	1
Totals	4

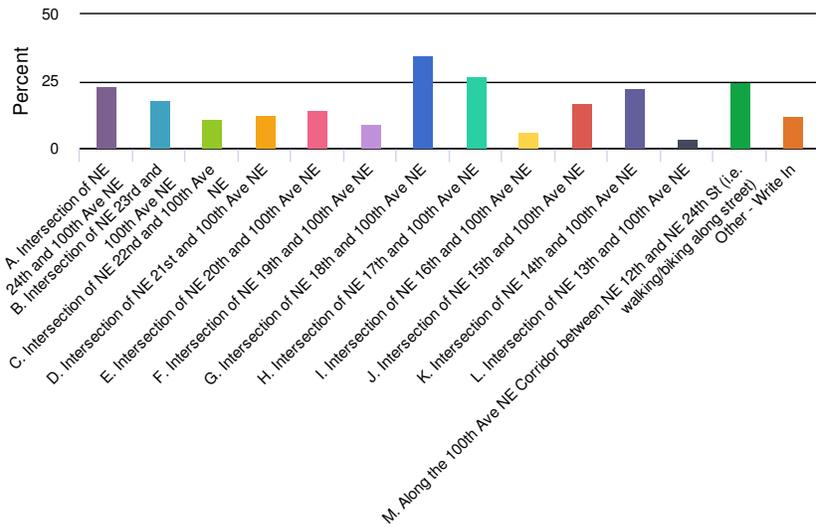

5. What do you think are the main challenges to walking, biking, or taking transit on 100th Ave NE? (select your top 3 concerns)

Value	Percent	Responses
High traffic speeds	44.5%	65
Poor driving behavior (distracted driving, not yielding at crosswalks, violating stop signs, etc.)	42.5%	62
Lack of sidewalks on the east side	57.5%	84
Sidewalks or curb ramps at corners in need of repair	9.6%	14
Lack of bike paths or bike lanes	19.9%	29
Poor visibility of and for people wanting to cross at intersections	45.2%	66
Not enough gaps in traffic to allow for comfortable street crossings at intersections	33.6%	49
Not applicable	0.7%	1
Other - Write In	10.3%	15

Other - Write In	Count
Lack of sidewalk along NE 23rd St between 100th Ave and 98th Ave, lack of crosswalk across 100th Ave along NE 23rd St which is commonly used for kids walking to Clyde Hill Elem	1
Lack of sidewalk on 18th	1
Lots of construction blocking traffic flow & pedestrians	1
Narrow sidewalks and wide traffic lanes	1
No sidewalks on eastside of 100th and also on 15th, 16th and 18th	1
People who leave out their garbage cans make it difficult and dangerous to walk. Vegetation needs to be trimmed better	1
Sacred Heart and Bellevue Christian traffic especially the teen drivers going way too fast.	1
School drop offs on side streets!	1
Too much through traffic	1
Use of 100th Ave as an alternate to Bellevue Way for downtown access	1
back ups at NE 14th St during school drop off and pick up times	1
construction	1
many car accidents at intersection into Vuecrest!	1
overgrown vegetation along sidewalks	1
some corners are blind for drivers turning onto 100th so cars edge into street to see	1
Totals	15

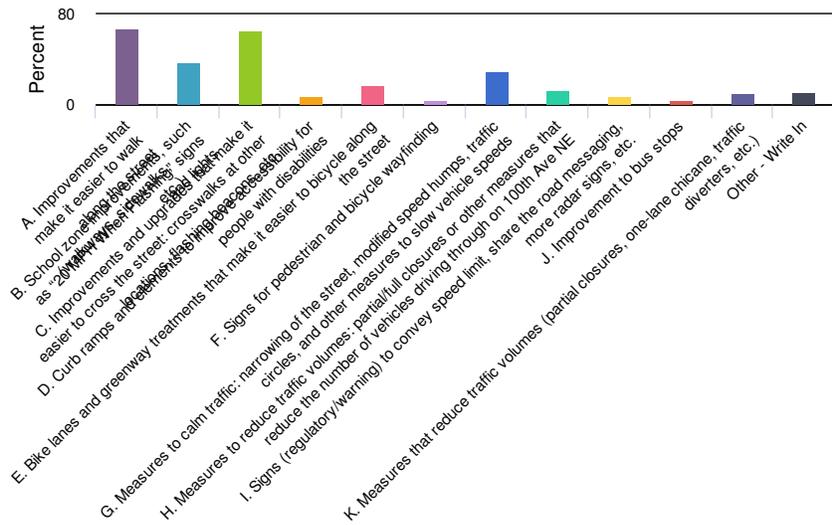

6. Review the map below. Please choose the top 3 locations you feel are in most need of safety improvements on 100th Ave NE.

Value	Percent	Responses
A. Intersection of NE 24th and 100th Ave NE	23.4%	33
B. Intersection of NE 23rd and 100th Ave NE	17.7%	25
C. Intersection of NE 22nd and 100th Ave NE	11.3%	16
D. Intersection of NE 21st and 100th Ave NE	12.8%	18
E. Intersection of NE 20th and 100th Ave NE	14.2%	20
F. Intersection of NE 19th and 100th Ave NE	9.2%	13
G. Intersection of NE 18th and 100th Ave NE	34.8%	49
H. Intersection of NE 17th and 100th Ave NE	27.0%	38
I. Intersection of NE 16th and 100th Ave NE	6.4%	9
J. Intersection of NE 15th and 100th Ave NE	17.0%	24
K. Intersection of NE 14th and 100th Ave NE	22.7%	32
L. Intersection of NE 13th and 100th Ave NE	3.5%	5
M. Along the 100th Ave NE Corridor between NE 12th and NE 24th St (i.e. walking/biking along street)	24.8%	35
Other - Write In	12.1%	17

Other - Write In	Count
10th St and 100th intersection	1
4way stop on 10th and 100th	1
98th Street needs a sidewalk. Cars are traveling too fast with numerous kids walking.	1
Directly in front of Bellevue Christian School!	1
Don't see 100th being that big of an issue. 98th is more of an issue	1
I don't know if it's 21 or 22	1
Intersection at NE 16th	1
Intersection of 100th and 28th	1
NE 10th & 100th Ave NE	1
NE 10th/Belfair and 100th Ave NE	1
NE 12th and 100th Ave NE	1
NE 12th and 100th Ave NE I witness several times a week drivers blowing through this four way stop...very dangerous!	1
Vuecrest East entrance cross street of 10th St & 100th Ave NE.	1
Vuecrest East entrance cross street of "10th St & 100th Ave NE.	1
need sidewalk NE 18th from Bell Pres to Bell Christian	1
not shown on your map...the entry into Vuecrest!	1
the Vuecrest East entrance cross street of 10th St & 100th Ave NE.	1
Totals	17

7. What are the top 3 improvements you think would improve traffic safety for people walking, biking, riding the bus, and driving along 100th Ave NE?

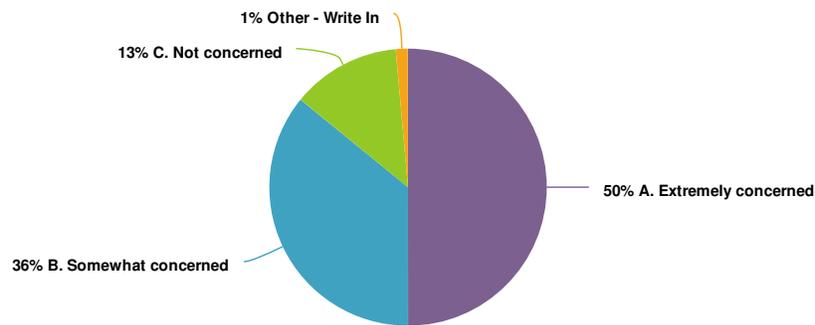

Value	Percent	Responses
A. Improvements that make it easier to walk along the street (walkways, sidewalks, etc.)	66.9%	93
B. School zone improvements, such as "20 MPH When Flashing" signs and lights	37.4%	52
C. Improvements and upgrades that make it easier to cross the street: crosswalks at other locations, flashing beacons, etc.	66.2%	92
D. Curb ramps and elements to improve accessibility for people with disabilities	7.2%	10
E. Bike lanes and greenway treatments that make it easier to bicycle along the street	18.0%	25
F. Signs for pedestrian and bicycle wayfinding	3.6%	5
G. Measures to calm traffic: narrowing of the street, modified speed humps, traffic circles, and other measures to slow vehicle speeds	30.2%	42
H. Measures to reduce traffic volumes: partial/full closures or other measures that reduce the number of vehicles driving through on 100th Ave NE	12.2%	17
I. Signs (regulatory/warning) to convey speed limit, share the road messaging, more radar signs, etc.	7.2%	10
J. Improvement to bus stops	4.3%	6
K. Measures that reduce traffic volumes (partial closures, one-lane chicane, traffic diverters, etc.)	9.4%	13
Other - Write In	11.5%	16

Other - Write In	Count
A mass transit system	1
Cut back bushes for visibility when come off side streets.	1
Cut bushes back off Westside sidewalk	1
Enforcement of existing speed laws	1
Feedback Speed Limit signs at the north end of 100th	1
Just the two above	1
Left turn lanes for the higher volume streets like 14th so traffic isn't stopped every time someone has to turn off 100th	1
Most traffic issues are during school start/end; 20mph would cause gridlock on sidestreets; reducing school traffic would help most - better BSD local bus service, etc.	1
Photo enforcement. Some drivers who's speeding need more than traffic sign but a traffic ticket.	1
Speed regulation- perhaps officer appearance along 100th would	1
Teach drivers, especially new to the area, what a CROSSWALK means	1
Traffic controls to make it easier for cars making left turns from side streets. I often have to wait several minutes every weekday around 7:40AM just to turn left into 100th Ave NE	1
blvd. trees in a new center median of the roadway to slow traffic	1
cut back hedge @ NWC of NE 14th Street & 100th Ave.	1
round about at 10th and 100 Ave NE	1
traffic light at NE 14th and NE 18th during school drop off and pick up hours	1
Totals	16

8. How often do you and/or your family use side streets in the project areas, between 98th Ave NE and Bellevue Way?

	Never	Rarely	A few times a week	Once or more times a day	Responses
A. Drive on side streets					
Count	5	11	29	96	141
Row %	3.5%	7.8%	20.6%	68.1%	
B. Walk on side streets					
Count	5	19	59	50	133
Row %	3.8%	14.3%	44.4%	37.6%	
C. Bike on side streets					
Count	40	51	20	4	115
Row %	34.8%	44.3%	17.4%	3.5%

9. How concerned are you about traffic safety on side streets in the area?

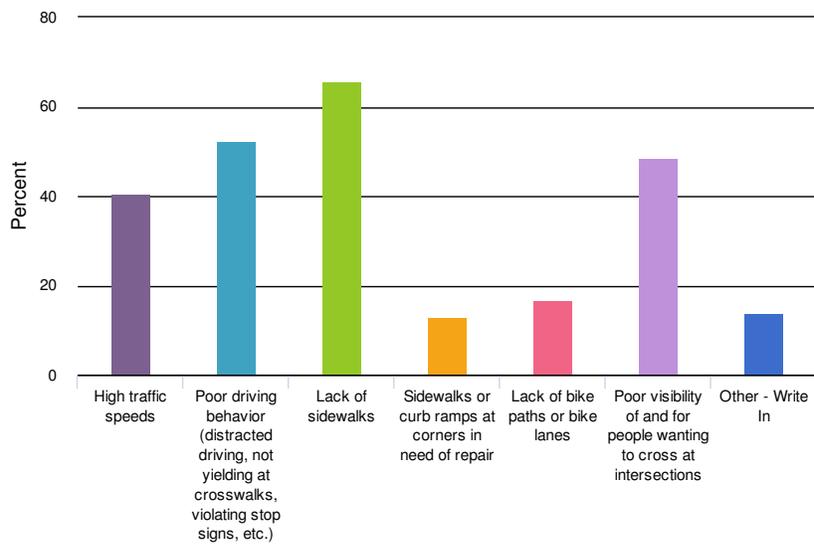

Value	Percent	Responses
A. Extremely concerned	50.0%	71
B. Somewhat concerned	35.9%	51
C. Not concerned	12.7%	18
Other - Write In	1.4%	2

Totals: 142

Other - Write In	Count
Extremely concerned about NE 18th St between 98th Ave NE and 100th Ave NE as there is NO sidewalk and road is narrow!	1
NA	1
Totals	2

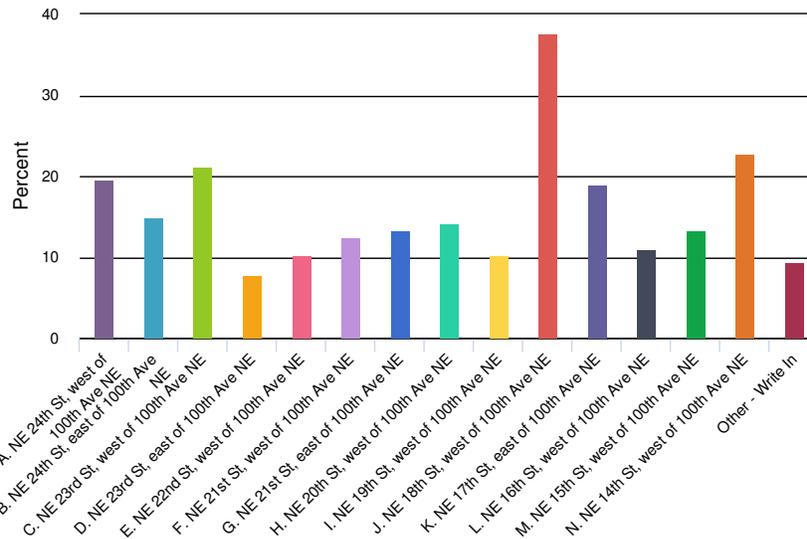

10. What are the main challenges to walking, or biking the on-side streets?

Value	Percent	Responses
High traffic speeds	40.6%	56
Poor driving behavior (distracted driving, not yielding at crosswalks, violating stop signs, etc.)	52.2%	72
Lack of sidewalks	65.9%	91
Sidewalks or curb ramps at corners in need of repair	13.0%	18
Lack of bike paths or bike lanes	16.7%	23
Poor visibility of and for people wanting to cross at intersections	48.6%	67
Other - Write In	13.8%	19

Other - Write In	Count
23rd ave W of 100th needs a sidewalk and improved parking (diagonal?) along the park	1
Cut through traffic	1
High volume of house construction impacts visibility and traffic flow	1
Lack of crosswalks at common crossings for kids walking to school	1
Lack of sidewalk might be okay if vegetation was cut back.	1
Lack of street lights which impact dark winter afternoons	1
NA	1
Narrow streets	1
Parents waiting to pick up or drop off kids at Clyde hill instead of following the school traffic pattern. They hold up the driving and walking traffic in 98th and confuse me	1
Traffic volume and people waiting to turn. Also construction work frequently on 100th	1
Visibility issues due to streets incline/decline, coming out of Schools, a lot of traffic during drop off pick up with limited space to pull out in cars makes even more dangerous for pedestrians	1
construction crews taking up space and visibility on side streets	1
enforcement & flashing sign showing speed has helped on 100th but people often drive too fast on side streets	1
flooded walkways	1
poor lighting at night	1
poor street lighting	1
too much traffic due to lack of mass transit options	1
volumne of traffic cutting thru	1
Totals	18

11. We need your help determining which side streets we should improve. Refer to the map below and chose the top 3 side streets you feel are in most need of safety improvements.

Value	Percent	Responses
A. NE 24th St, west of 100th Ave NE	19.7%	25
B. NE 24th St, east of 100th Ave NE	15.0%	19
C. NE 23rd St, west of 100th Ave NE	21.3%	27
D. NE 23rd St, east of 100th Ave NE	7.9%	10
E. NE 22nd St, west of 100th Ave NE	10.2%	13
F. NE 21st St, west of 100th Ave NE	12.6%	16
G. NE 21st St, east of 100th Ave NE	13.4%	17
H. NE 20th St, west of 100th Ave NE	14.2%	18
I. NE 19th St, west of 100th Ave NE	10.2%	13
J. NE 18th St, west of 100th Ave NE	37.8%	48
K. NE 17th St, east of 100th Ave NE	18.9%	24
L. NE 16th St, west of 100th Ave NE	11.0%	14
M. NE 15th St, west of 100th Ave NE	13.4%	17

don't know at this time	1
the Vuecrest East entrance cross street of 10th St & 100th Ave NE.	1
Totals	12

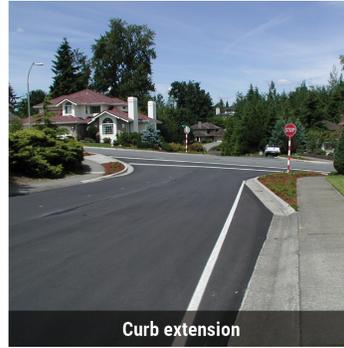

12. What are the top 3 improvements that would encourage you to walk or bike more frequently on side streets in the area?

20 mph Speed Limit

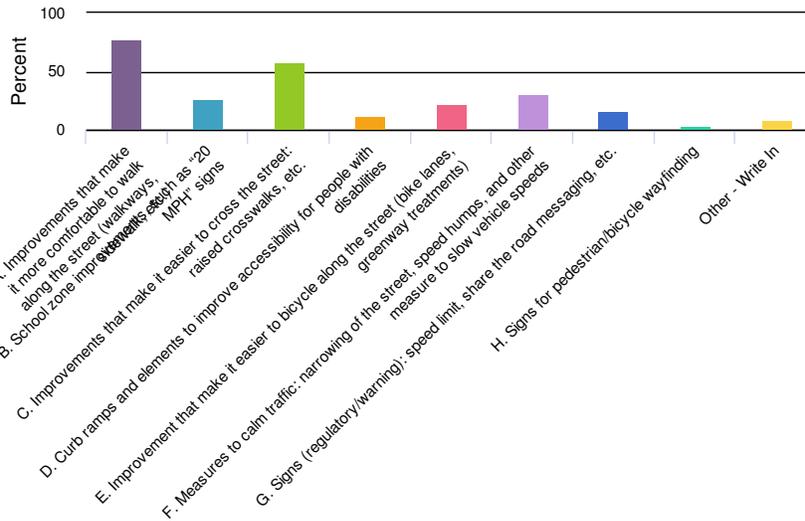

Speed bump

Curb extension

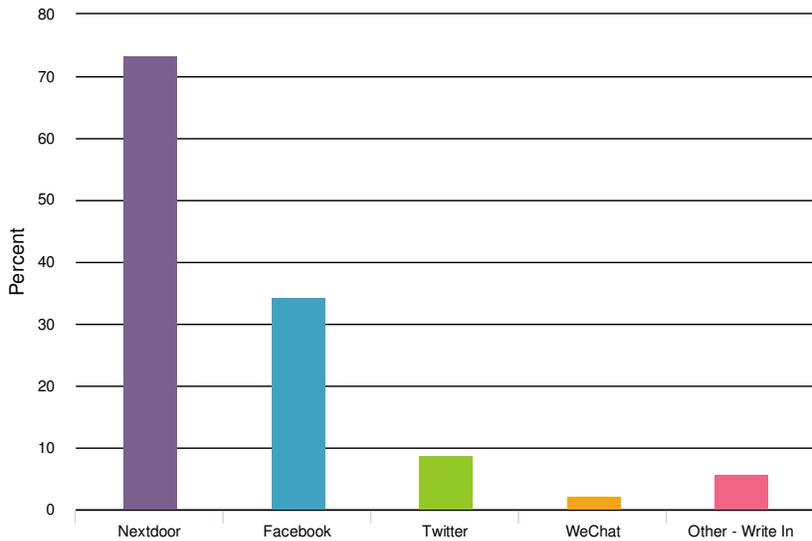

Walkway

Value	Percent	Responses
A. Improvements that make it more comfortable to walk along the street (walkways, sidewalk, etc.)	77.4%	96
B. School zone improvements, such as "20 MPH" signs	26.6%	33
C. Improvements that make it easier to cross the street: raised crosswalks, etc.	57.3%	71
D. Curb ramps and elements to improve accessibility for people with disabilities	12.1%	15
E. Improvement that make it easier to bicycle along the street (bike lanes, greenway treatments)	21.8%	27
F. Measures to calm traffic: narrowing of the street, speed humps, and other measure to slow vehicle speeds	30.6%	38
G. Signs (regulatory/warning): speed limit, share the road messaging, etc.	15.3%	19
H. Signs for pedestrian/bicycle wayfinding	4.0%	5
Other - Write In	8.9%	11

Other - Write In	Count
Enforcement	1
Enough with the bike lanes already! Majority of parents are not going to have their kids ride their bikes to school, especially if it involves using a high traffic road!	1
I will walk with or without the improvements.	1
Photo enforcement.	1
Reduce cut through traffic	1
better lighting! it gets dark so early and cars can't see us well!	1
center median blvd. trees	1
improve walkway to reduce flooding	1
less auto traffic!	1
parking restrictions. When school gets out, many people park on both sides of 23rd Ave (West of 100th). Makes it very unsafe for walkers (many of whom are small children). This happens on all side streets between Clyde Hill Elem and Chinook between 100th and 98th	1
reducing volume of cut-through traffic	1
Totals	11

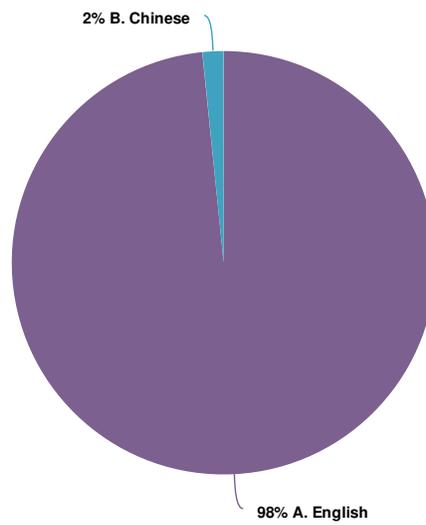

14. If you would like to hear more about the project through social media, which social media platforms would you prefer?
