

**NOTICE OF ACTION**  
**FOR SUPPLEMENTAL ENVIRONMENTAL IMPACT STATEMENT (SEIS) ON**  
**2019-2030 TRANSPORTATION FACILITIES PLAN (TFP)**

**Notice of Action:** Notice is given under SEPA, RCW 43.21C.080, that the City of Bellevue issued a Draft and Final Supplemental EIS (SEIS) and an Addendum to the Final SEIS on the 2019-2030 Transportation Facilities Plan (TFP).

**Description of Agency Action:** The City of Bellevue issued a Draft and Final Supplemental EIS (SEIS) on the 2019-2030 Transportation Facilities Plan (TFP). The purpose of the Supplemental EIS (SEIS) is to add updated information and analysis to the previous EIS prepared for the 2013-2024 TFP (Final Environmental Impact Statement 2013-2024 Transportation Facilities Plan, City of Bellevue, July 2013). The SEIS updates projected land use data and the planned transportation network.

The TFP serves as the city's 12-year transportation implementation planning document. The TFP includes projects prioritized from the city's long-range plans that address future transportation and land-use needs. Projects included in the plan may address roadway/intersection capacity, safety/operations, walkway/bikeway mobility, and/or maintenance.

The SEIS is a non-project review. Specific transportation projects listed in the TFP will undergo separate project-level State Environmental Policy Act (SEPA) review as they are funded for design and/or implementation

**Environmental Documents:**

Draft Supplemental EIS (Draft SEIS): Issued March 14, 2019.

Final Supplemental EIS (Final SEIS): Issued June 27, 2019.

Addendum to Final SEIS: Issued July 11, 2019.

**Availability:** The Draft and Final SEIS and the Addendum to the Final SEIS are available on the Internet at: <https://bellevuewa.gov/city-government/departments/transportation/planning/infrastructure-and-subareas/transportation-facilities-plan>

Hard copies of the SEIS documents are available for review at:
