October 1st, 2018

Dear Applicant:

The City of Bellevue’s 2018 Utility Tax Relief Program for low-income households will be accepting appointments and processing applications for this year’s program from October 1st through November 16th, 2018. Remember, even if you have been in the program in the past, you need to re-apply every year. Please note: It can take several weeks to process an application. Applicants are encouraged to get their applications in as early as possible to ensure timely processing.

This packet contains two items:

- **Program Guidelines** – This includes the program description, eligibility information, and details on how to apply for the program.

- **Program Application** – The application must be completed with vital income and household information, signed, dated and returned with required documentation.

There are two ways to apply for the program – by mail or in person:

- **In Person** – If you are applying for the first time or you were not approved for this program last year (2017), you must schedule an application appointment by calling 425-452-5285 and apply in person.

- **By Mail** – If you qualified for this program in 2017, you may apply by mail. Be sure to sign and date the application and include copies of all required identification, income, and residency information when returning your paperwork. Incomplete application forms or missing documentation will delay the processing of your application. Please return your paperwork in the return envelope included with this packet.

Whether you apply in person or by mail, all required documentation must be received at the downtown Bellevue City Hall before 4 p.m., PST, on Friday, November 16th, 2018. If you have any questions, please call 425-452-5285.
