Our method is parkour - the functional art of movement. We train participants to gain control of their bodies and minds through physical and mental challenges - the way they were meant to be used. There is a correct way to crawl, fall, roll, run, land, jump, climb and swing. Through our trainings, students learn to optimize performance while protecting their body from impact. We train to play forever! Participants will be placed in age/ability appropriate small groups for this camp.
