Dear Residents,

This notice is to make you aware of upcoming training evolutions that the Bellevue Police Department SWAT team and Bellevue Fire Department will be conducting at the **abated addresses of 1215, 1221, and 1223 112th Ave NE (the future site of BFD Fire Station 10)**

This training will take place the week of March 2nd thru March 6th. The training will be held between the hours of 1:00 PM and 9:00 PM on Monday and Tuesday, March 2nd and 3rd. The training will be between 7:00 AM and 4:00 PM the rest of the week.

For the Police training evolutions on March 2nd and 3rd, there will be officers in and around the property dressed in Bellevue SWAT uniforms. The training will include the use of tools of our trade that create loud noises. These tools are commonly used as distraction devices and to breach entry points such as doors and windows and walls.

For the Fire Department training evolutions during the latter half of the week, there will be firefighters in and around the property dressed in uniform and protective gear. The training will include the tools of our trade as well, but will also include the use of training devices that create smoke inside the structures that simulate the hazardous conditions firefighters operate in.

We apologize for any inconvenience that you may incur during this training. This training is coordinated with the cooperation of Marina Stefanovic, the City of Bellevue Project Manager responsible for the BFD Station 10 project. She can be reached at 425-452-4886 or Firestation10@bellevuewa.gov

The Bellevue Police Department and Fire Department are constantly training to provide the citizens of Bellevue with quality police and fire services. If you have any issues or concerns before or on the day of the training, please contact us below.

Respectfully,
