COVID-19 Addendum to Field Use Request Form

The novel coronavirus, COVID-19, is extremely contagious and is believed to spread mainly through person-to-person contact. As a result, federal, state, and local governments and health agencies recommend social distancing and have prohibited the congregation of groups of people over a certain size. To help reduce the risk of virus transmission in Washington, state and local health officials have mandated businesses and activities comply with social distancing measures and maintain certain health standards as well as implement additional industry specific requirements.

The City of Bellevue is pleased to be able to reopen athletic fields to provide recreational opportunities to the public in a safe manner that meets all applicable safety requirements and guidance. To that end, we ask that you acknowledge you will adhere to the following and that you or your group's failure to do so may result in the immediate termination or suspension of your field rental:

1. Comply with all applicable COVID-19 safety requirements and guidelines as issued by the Governor's office, Department of Health, or other state or local authority including the county COVID-19 activity level guidance and sport risk category guidance.
2. Notify and educate all staff, volunteers, and participants of the applicable COVID-19 safety requirements and guidelines and ensure they comply with all requirements.
3. If required by the applicable guidance, create a written procedure or plan for employee and volunteer safety and participant interaction and keep plan updated as guidance is revised. Provide a copy of plan to City as requested.
4. Notify the City immediately if a staff member, volunteer, or participant who is or was at a City of Bellevue athletic field starts showing symptoms of COVID-19 or is diagnosed with COVID-19.

I am authorized to execute this document on behalf of the field user group or organization identified below and I have read and agree to its terms. I acknowledge that failure to comply with any of the requirements set out herein may result in termination or suspension of my rental.
