

City of Bellevue launches The Great Bellevue Scavenger Hunt October 2-30

Health guidelines and physical distancing due to COVID-19 have kept many people closer to home and looking for fun things to do while staying safe. The Great Bellevue Scavenger Hunt checks those boxes and launches October 2! The Great Bellevue Scavenger Hunt runs through October 30 at 10 p.m., and players can join the game any time during the game period.

The Great Bellevue Scavenger Hunt is a virtual game played on a mobile device using the free Goose Chase app. The game gives families and friends a safe and fun way to enjoy time together by sharing challenges and exploring in and around your home, neighborhood and the city of Bellevue! Participants will also get a chance to win City swag.

Throughout each week of the hunt, a set of missions will be released. Teams earn points by answering trivia questions or taking pictures and videos to complete missions. Missions will vary but may include:

- visiting local parks for nature hunts,
- sharing your favorite local takeout meal,
- showing off something special about your neighborhood,
- preparing for emergencies with fun drills,
- getting savvy with safer cleaning practices and non-toxic cleaning tips,
- becoming a zero-waste hero through personal challenges and recycling prowess,
- fighting the war on food waste with kitchen challenges, and
- activities for your pets – even your furry loved ones can participate in missions!

HOW TO JOIN GAME:

1. Download the free GooseChase app.
2. Create an account or log in as a guest.
3. Enter the game code COBFUN or search for “The Great Bellevue Scavenger Hunt”.
4. Select or create your team. Teams can have a single member.
5. Once in the app, you will sign a [safety waiver](#) to participate in the game.

All the activities can be accomplished safely within Washington’s Safe Start guidelines.
