Cancelling Field Time for Tournament (AKA Playoff) Teams –

If you have a team involved in a multi-week tournament or playoffs, we can treat late cancellations as though we had at least 15 days’ notice.

This **ONLY** applies when both conditions are met:

- 1) contact us with at least 15 days’ notice to let us know WHICH reservations might be cancelled
- 2) provide at least 3 days' notice if the field time needs to be cancelled.

Light Programming - The Parks Scheduling Office After-Hours number is 425-452-2864. Leave a message.

If the light programming needs to be adjusted, call and leave a short, but detailed voicemail message.

Sample Message: "This is NAME from GROUP. We are at NAME OF FIELD. WHAT IS ISSUE? (i.e. - need lights now or done with field). Our group's timeslot is START TIME to FINISH TIME. If you have any questions, please call me at NUMBER."

Reasons to Call the Parks Scheduling Office After-Hours Number:

If it is getting dark during reserved field time.

If lights aren't on within 10 minutes of a reservation start time after dark.

If an evening reservation won't be used, especially on a weekday after 4 pm or on a weekend.

This is the ONLY way to get credit for light fees.

FYI: We usually don't return the call unless we need clarification.

EXAMPLE:

Timeslot Reserved	Time of Sunset	Light Programming
5:30-7 pm	4:06 pm	5:15-7:15 pm
	6:06 pm	6:06-7:15 pm

Certificate of Insurance – Required for field use by organizations/companies.

Verbiage Requirements: The City of Bellevue, its officials, employees and volunteers must be named as Additional Insureds on the commercial general liability policy, and the Certificate Holder must be listed as City of Bellevue, PO Box 90012, Bellevue WA, 98009-9012. Minimum amount of general liability is \$1,000,000 per occurrence, \$2,000,000 aggregate.

Non-Peak Rate – We offer a Non-Peak Rate on our full turf fields, which applies to weekday, daytime use (prior to 3:30 pm), when the Bellevue School District is in session. The Non-Peak Rate is the Bellevue Resident Youth Rate for all use, regardless of age group or Residency Percentage

Payments -

- 1) Online payments – Please let us know when an online payment has been made.
- 2) Mailing payments – Payable to the City of Bellevue and mailed to City of Bellevue, Attn: Parks Scheduling Office, PO Box 90012, Bellevue, WA 98009. Please allow extra time for mailing, even within Bellevue.
- 3) Payment Reminders – Our office often sends out a reminder when a payment due date is approaching. Does your group count on the reminders? If so, please request a regular reminder.

Allocation Process:

Step 1 – Availability – What field time is available for community use? This can vary based on City programs.

Step 2 – Demand – What groups are requesting the field time? How many participants do these groups have? What is the Bellevue Residency Percentage for each group? The demand for a single season can change multiple times based on the date ranges wanted by each group.

Step 3 – Fair Share – What is the fair share of field time for each Bellevue Resident participant that is requesting field time? This number is then multiplied by number of Bellevue Resident participants for each group to determine each groups' fair share of the total amount of field time.

Step 4 – Allocation – The Parks Scheduling Office then decides WHAT field, days, and times to offer to each group. This is NOT based on historical use.

Step 5 – Proposals – The Parks Scheduling Office offers each group field time that they CAN reserve and gives them the opportunity to respond regarding how much or little of the offered field time gets reserved.

Miscellaneous Topics -

- 1) Asking for rainout credit – The [Add/Update Field Reservations Spreadsheet](#) or [Update Field Reservations Form](#) is due back no later than the first day of the following month. **Example:** Want to ask for rainout credit for the March 11 field time? Please submit the form no later than April 1.
- 2) Bannerwood – Once use is reserved, please coordinate if any warm-up time is wanted.
- 3) Providing services at a Bellevue park – At a Bellevue park, anyone being paid to be present or selling items needs to have prior approval. For example, food concessions, catering, vendors, equipment providers, etc... all need to meet requirements prior to getting permission.

FIELD SCHEDULING TIPS

Checking Field Availability: The best way to check availability is to provide the following information:

- a. Which Field(s) or Type of Field -
- b. Single Date Wanted or Date Range -
- c. Day(s) of the Week -
- d. Time of Day -
- e. Length of Time -
- f. Sport/Activity -
- g. Adults and/or Youth -
- h. Number of People anticipated -

When checking availability, if parameters are very specific (only one date/time will work or is preferred), please consider attaching the request form to the email. We can then start discussing the field schedule and immediately reserve, if available.

Hints on Completing Forms

[Field Use Request Form](#)

- Does the current Primary Contact know their User Code from our scheduling system? If not, please ask. Once the User Code is handy, it can be utilized on several of forms.
- Are there some dates within the requested date range that aren't wanted? Add a comment at the bottom of the Field Use Requested page.

[Add-Update Field Reservations Spreadsheet](#) – Excel file that can be used to add more reservations or to ask for updates to current reservations. Please list each timeslot individually with start and end times. Updates could be, but are not limited to, adjusting the timeslot, changing the field, rescheduling to a different date, cancelling field time, asking for rainout/unable to use credit, or requesting prep.

[Additional Field Reservations Form](#) - Please include all the information above the chart for easier processing and the Receipt # from the Field Agreement with the current reservation(s) for the month involved. Please list each timeslot individually, including the start and end times.

[Update Field Reservations Form](#) - Use the first 4 columns to provide details about the reservations ALREADY booked. The right column is to let us know HOW you want each of those reservations changed. Updates could be, but are not limited to, adjusting the timeslot, changing the field, rescheduling to a different date, cancelling field time, asking for rainout/unable to use credit, or requesting prep. Please list each timeslot individually, including the start and end times.
