 - a. Encourage increased residential opportunities within the City; or
 - b. Stimulate the construction of new affordable Multifamily Housing.

- B. In designating a Residential Targeted Area, the City Council may also consider other factors, including:

 2. Whether providing additional housing opportunities for low- and moderate-income households would meet the needs of citizens likely to live in the area if affordable residences were available;
 3. Whether an increased permanent residential population in the Residential Targeted Area will help to achieve the planning goals mandated by the Growth Management Act under Chapter [36.70A](#) RCW, as implemented through the City's comprehensive plan; or
 4. Whether encouraging additional housing in the Residential Targeted Area supports plans for significant public investment in public transit or a better jobs and housing balance.
- C. At any time, the City Council may, by ordinance, in its sole discretion, amend or rescind the designation of a Residential Targeted Area pursuant to the same procedural requirements in subsection [A](#) of this section for the original designation.
- D. The following area meets the criteria of this chapter for Residential Targeted Areas and are designated as such: All parcels in all land use districts in which multifamily dwellings are allowed pursuant to Title 20 of the Bellevue Land Use Code, now or as hereafter amended, are designated as a single residential target area under this Chapter 4.52 BCC.

Affordable Units that are provided under this section shall continue to be made available to Eligible Households as Affordable Units for a minimum of 12 years from the date of initial occupancy.

- C. The Director shall notify the Owner within 30 days of the application being filed if the Director determines that an application is not complete and shall identify what additional information is required before the application will be complete. Within 30 days of receiving additional information, the Director shall notify the Owner in writing if the Director determines that the application is still not complete, and what additional information is necessary. A determination of completeness does not preclude the Director from requiring additional information during the review process if more information is needed to evaluate the application according to the criteria in this chapter.

The Director's approval or denial shall take place within 90 days of the Director's receipt of the completed application. Following execution of the MFTE Contract and Covenant by the Owner and the City, the Director shall issue a conditional certificate of acceptance of tax exemption. - C. Any Owner seeking amendments to the approved MFTE Contract shall pay to the City an amendment application fee as established by the Director.
- D. The date for expiration of the conditional certificate shall not be extended by contract amendment unless all the conditions for extension set forth in BCC [4.52.070](#) are met.

4.52.070 Extension of conditional certificate.

- A. The Director may extend the conditional certificate for a period not to exceed 24 consecutive months. The Owner shall submit a written request stating the grounds for the extension together with a fee as established by the Director. The Director may grant an extension if the Director determines that:
1. The anticipated failure to complete construction of the Project within the required time period is due to circumstances beyond the control of the Owner;
 2. The Owner has been acting and could reasonably be expected to continue to act in good faith and with due diligence; and
 3. All the conditions of the original MFTE Contract between the Owner and the City will be satisfied upon completion of the Project.

4.52.080 Final certificate – Application – Issuance – Denial and appeal.

- A. Upon completion of the Project as provided in the MFTE Contract between the Owner and the City, and upon issuance of a certificate of occupancy, the Owner may request a final certificate of tax exemption. The Owner shall file with the Director such information as the Director may deem necessary or useful to evaluate eligibility for the final certificate, and shall include:

1. A statement of expenditures made with respect to each Multifamily Housing unit, including phasing if applicable, and the total expenditures made with respect to the entire property;
 2. A description of the completed work and a statement of qualification for the exemption;
 3. A statement that the work was completed within the required three-year period or any approved extension; and
 4. Information on the Owner's compliance with the affordability requirements in BCC [4.52.090](#).
- B. Within 30 days of receipt of all materials required for a final certificate, the Director shall determine whether the completed work is consistent with the application and MFTE Contract and is qualified for limited exemption under Chapter [84.14](#) RCW, and which specific improvements completed meet the requirements of this chapter and the required findings of RCW [84.14.060](#), now or hereafter amended.
- C. If the Director determines that the Project has been completed in accordance with the MFTE Contract between the City and Owner, and with subsection [A](#) of this section, the City shall file a final certificate of tax exemption with the Assessor within 10 days of the expiration of the 30-day period provided under subsection [B](#) of this section.
- D. The Director shall notify the Owner in writing that the City will not file a final certificate if the Director determines that the Project was not completed within the required three-year period or any approved extension or was not completed in accordance with subsection [B](#) of this section; or if the Director determines that the Owner's property is not otherwise qualified under this chapter or if the Owner and the Director cannot agree on the allocation of the value of the improvements allocated to the exempt portion of new construction and multiuse new construction.
- E. Within 30 days of the date of notice of denial of final certificate, the Owner may file a notice of appeal with the City Clerk along with the appeal fee as established by ordinance specifying the factual and legal basis for the appeal. The appeal shall be heard by the City's Hearing Examiner pursuant to BCC [4.52.115](#).

4.52.090 Exemption – Duration – Affordability requirements – Limits.

- A. The value of new Multifamily Housing construction improvements qualifying under this chapter shall be exempt from ad valorem property taxation for 12 successive years, beginning January 1st of the year immediately following the calendar year of issuance of the final certificate, and provided the following affordability requirements are satisfied:

1. Except as provided in BCC 4.52.090.A.2 and BCC 4.52.090.A.3 below, a minimum of 20 percent of the Project's total units must be Affordable Units with Affordable Rents as follows:
 - a. Any dwelling unit that is 300 square feet or less shall be categorized as a very small dwelling unit. Any Affordable Unit that is a very small dwelling unit shall have an Affordable Rent at or below 45 percent of the King County Median Income, adjusted for household size.
 - b. Any Affordable Unit that is not a very small dwelling unit shall have Affordable Rents at or below 80 percent of the King County Median Income, adjusted for household size.

Unless otherwise stated, nothing in this section shall relieve the Owner of complying with the eligibility requirements in BCC 4.52.040.

2. If a Project is unable to meet the MFTE program's eligibility requirement that a minimum of 15 percent of its total units have two or more bedrooms, then the Project may still qualify for the MFTE program provided it selects one of the following:
 - a. A minimum of 25 percent of the Project's total units are Affordable Units and shall have Affordable Rents at or below 80 percent of the King County Median Income, adjusted for household size; or
 - b. A minimum of 20 percent of the Project's total units are Affordable Units and shall have Affordable Rents at or below 70 percent of the King County Median Income, adjusted for household size; except any Affordable Units having two or more bedrooms shall remain at or below 80 percent of the King County Median Income, adjusted for household size.

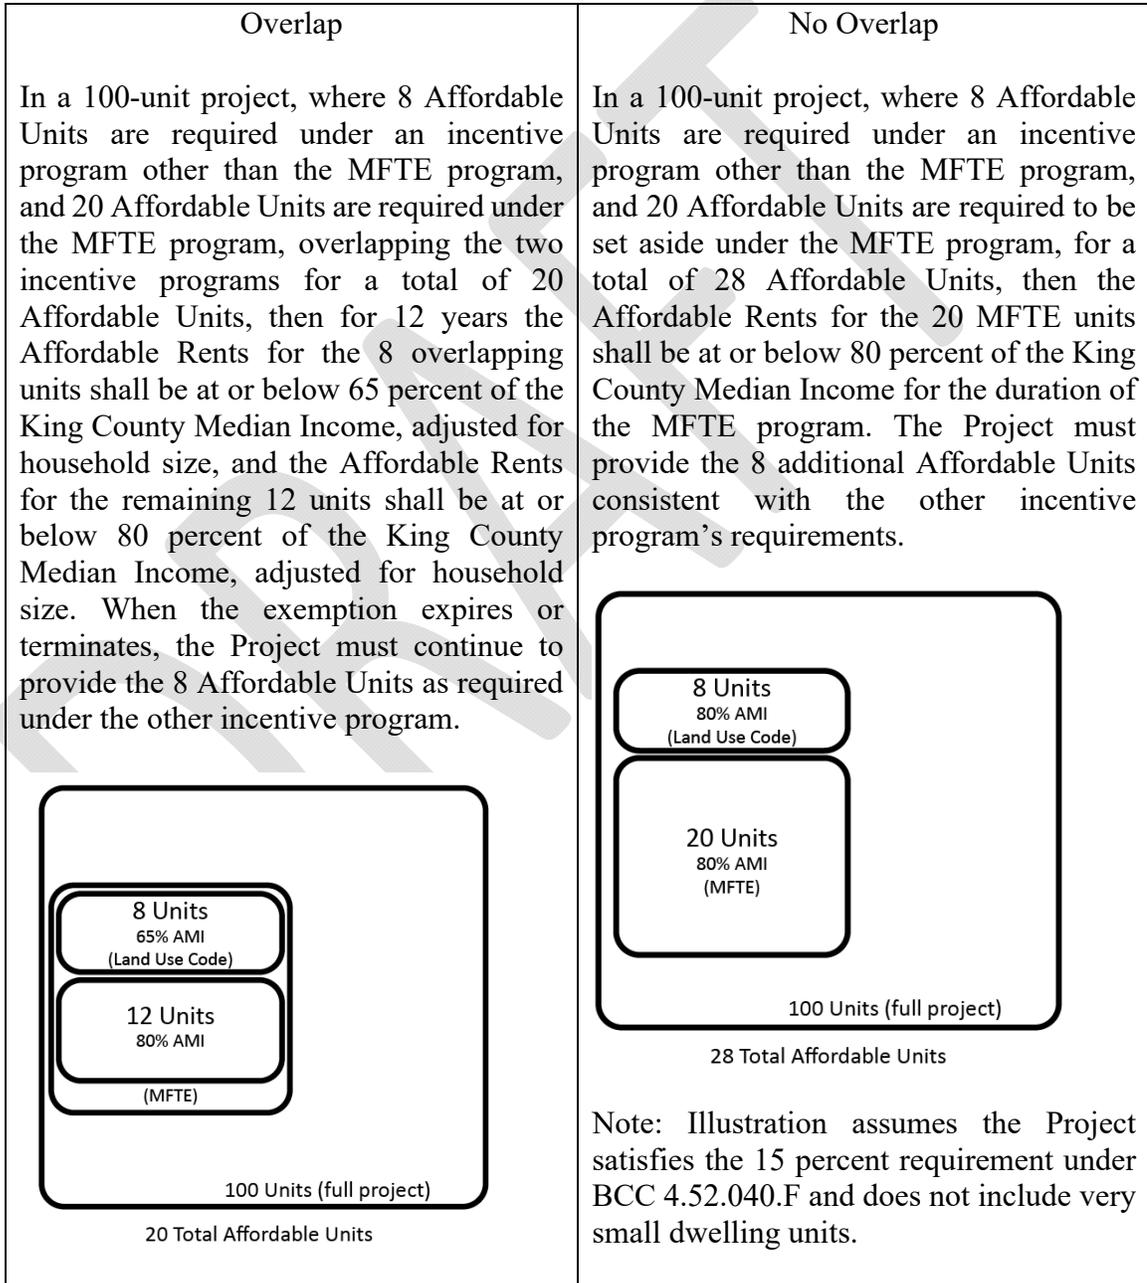

Nothing in this section shall relieve the Owner of the affordability requirements for very small dwelling units under BCC 4.52.090.A.1.

3. An eligible project may benefit from both the MFTE program and other incentive programs that seek to increase the quantity of affordable housing. When a Project utilizes both the MFTE program and another incentive program, the Project shall apply the MFTE benefit as follows:
 - a. **Overlap:** When a Project overlaps the MFTE benefit with units that also receive incentives from another affordable housing program, and said units are used simultaneously to satisfy the requirements of both programs, the Affordable Rents for said units shall be at least 15 percentage points below the applicable King County Median Income level, adjusted for household size, as prescribed in this chapter, provided this 15 percent reduction shall not apply to very small dwelling units described in BCC 4.52.090.A.1. Thus, by example, when a Project overlaps an MFTE unit as described in BCC 4.52.090.A.1.b with another affordable housing program,

said unit would have affordable rents at or below 65 percent of the King County Median Income, adjusted for household size; or

- b. No Overlap: When a Project does not overlap the MFTE benefit with units that also receive incentives from another affordable housing program, the Affordable Units required under this chapter shall be in addition to those that the Project is required to designate under the other incentive programs.

c. Illustration:

<p>Note: Illustration assumes the Project satisfies the 15 percent requirement under BCC 4.52.040.F and does not include very small dwelling units.</p>	
---------------------------------------------------------------------------------------------------------------------------------------------------------	--

Nothing in this chapter shall relieve a Project of observing more restrictive criteria prescribed under another affordable housing incentive program.

- 4. For any Affordable Units required in this section, the following shall apply:
 - a. Affordable Units shall have Affordable Rents as defined in BCC 4.52.020.B.
 - b. The mix, configuration and size of Affordable Units at each affordability level shall be substantially proportional to the mix, configuration and size of the total housing units in the Project unless otherwise approved by the Director.
 - c. Affordable Units will be reserved for occupancy by Eligible Households who certify that their Household Income does not exceed the applicable percent of the King County Median Income; and who certify that they meet all qualifications for eligibility, including any requirements for recertification on income eligibility as set forth in the MFTE Covenant referenced in BCC 4.52.040.E.
 - d. When the Project contains more than one building or multiple floors, all of the Affordable Units required by this chapter may not be located in the same building or on the same floor. The Affordable Units shall be interspersed with all other dwelling units within the Project.
 - e. If, in calculating the number of Affordable Units, the number contains a fraction, then the number of Affordable Units shall be rounded up to the next whole number.

- B. The exemption does not apply to the value of land or to the value of improvements not qualifying under this chapter, to increases in assessed valuation of land and nonqualifying improvements, or to increases made by lawful order of the King County Board of Equalization, Washington State Department of Revenue, State Board of Tax Appeals, or King County, to a class of property throughout the County or a specific area of the County to achieve uniformity of assessment or appraisal as required by law.

4.52.095 Rent Stabilization.

For the duration of any exemption authorized under this chapter, any rent increase for any existing tenant remaining in the same Affordable Unit, or similar sized unit within the same project, shall not exceed 3 percent in any given year as described herein:

- A. When the King County Median Income increases by more than 3 percent in a given year, the Project shall be permitted to increase Affordable Rents up to 3 percent that year.
- B. When King County Median Incomes increase by 3 percent or less in a given year, the Project shall be permitted to increase Affordable Rents by (i) the amount of the corresponding increase in median income; or (ii) 3 percent, to allow the Project's Affordable Rents to begin to catch up with King County Median Income calculations after having been capped due to conditions set forth in BCC 4.52.090.A. Under no circumstance may Affordable Rents exceed the current King County Median Income calculation.

The provisions of this subsection shall not apply to new tenants that move into Affordable Units, or current tenants who move into a different sized Affordable Units. In such an event, the rent and income qualifications shall be calculated based on the current, applicable King County Median Income at the time a lease agreement is executed.

4.52.97 Parking.

- A. The City Council finds low- and moderate-income individuals require access to reliable transportation and costs associated with parking often make housing unaffordable, further cost burdening said individuals, contrary to the aims of this chapter.
- B. Projects that benefit from the MFTE program shall mitigate the parking costs of their affordable tenants occupying MFTE sponsored units as follows:
 - 1. Eligible projects shall offer affordable tenants who choose to rent a parking space through the Project a 30 percent discount off the market rate price.
 - a. Projects required to mitigate parking costs shall not be required to set aside parking spaces for affordable tenants, but the Project shall rent available parking spaces on a first-come, first-served basis.
 - b. Projects required to mitigate parking costs shall not give preference to market-rate tenants over affordable tenants in providing any parking spaces that may be available.
 - c. Any discounted parking space provided to a tenant in an Affordable Unit shall be non-transferable.
 - 2. Eligible projects located in the Downtown Land Use District, as described in Part 20.25A of the Bellevue Land Use Code, are exempt from the discount requirement described above, given their proximity to high frequency transit, employment, and social/cultural centers.

4.52.100 Annual certification.

- A. A property that receives a tax exemption under this chapter shall continue to comply with the MFTE Contract and Covenant and the requirements of this chapter in order to retain its property tax exemption.
- B. Within 30 days after the first anniversary of the date the City filed the final certificate of tax exemption and each year for the tax exemption period, the property owner shall file a certification with the Director, verified upon oath or affirmation, which shall contain such information as the Director may deem necessary or useful, and shall include the following information:
 1. A statement of occupancy and vacancy of the multifamily units during the previous year;
 2. A certification that the property has not changed use since the date of filing of the final certificate of tax exemption, and continues to be in compliance with the MFTE Contract and Covenant with the City and the requirements of this chapter;
 3. A description of any improvements or changes to the property made after the filing of the final certificate or last declaration, as applicable;
 4. Information demonstrating the Owner's compliance with the affordability requirements of BCC [4.52.090](#);
 5. The total monthly rent of each unit;
 6. For the affordable units, the income of each household at the time of initial occupancy and their current income;
 7. The value of the tax exemption for the Project; and
 8. Any additional information requested by the City in regard to the units receiving a tax exemption (pursuant to meeting any reporting requirements under Chapter [84.14](#) RCW).

4.52.110 Cancellation of exemption.

- A. The Director may cancel the tax exemption if the property owner breaches any term of the MFTE Contract, Covenant, or any part of this chapter. Reasons for cancellation include but are not limited to the following:
 1. Failure to file the annual certification or filing a defective certification.
 2. Violation of any applicable zoning requirements, land use regulations, or building and housing code requirements contained in BCC Titles [20](#) and [23](#). Timely and cooperative resolution of the violation(s) may serve as a mitigating factor in the Director's decision of whether to cancel the exemption.

3. Conversion of the Multifamily Housing to another use. The Owner shall notify the Director and the County Assessor no less than 60 days of the intended change in use. Upon such change in use, the tax exemption shall be canceled pursuant to this section.
 4. Noncompliance with BCC [4.52.090](#) for Affordable Units. In the event an Affordable Unit is rented to a household other than an Eligible Household, or at a rental rate greater than prescribed in the MFTE Covenant referenced in BCC [4.52.040.E](#), the property tax exemption for the property shall be canceled pursuant to this section.
 5. Any noncompliance with BCC 4.52.095 and BCC 4.52.097.
- B. Upon cancellation of the exemption for any reason, the property owner shall be immediately liable for all taxes, interest and penalties pursuant to law. Upon determining that a tax exemption shall be canceled, the Director shall notify the property owner by certified mail, return receipt requested. The property owner may appeal the determination by filing a notice of appeal with the City Clerk along with the appeal fee established by ordinance within 30 days of the date of notice of cancellation, specifying the factual and legal basis for the appeal in writing. The appeal shall be heard by the Hearing Examiner pursuant to BCC [4.52.115](#).
- C. Failure to submit the annual declaration may result in cancellation of the tax exemption pursuant to this section.

4.52.115 Appeals to Hearing Examiner.

- A. *Appeal.* An Owner aggrieved by the Director's denial of an application, final certification, or cancellation of an exemption under this chapter shall have the right to appeal to the Hearing Examiner. Except as noted in subsection [B](#) of this section, the appeal shall be processed under Process II, LUC [20.35.200](#) et seq. Failure to follow the appeal procedures in this section and LUC [20.35.200](#) et seq. shall preclude the Owner's right to appeal. For any appeal related to BCC [4.52.060.C](#), the Hearing Examiner's decision on appeal is final.
- B. *Time and Place to Appeal.* The written statement required under LUC [20.35.250.A.2](#), and the appeal notification form, and the appeal fee, if any, must be received by the City Clerk no later than 5:00 p.m. on the thirtieth day following the date on which the Director's determination was mailed to the Owner.
- C. *Merger.* When an appeal under this chapter is associated with a land use permit application, the appeal will be heard with any appeal on the land use application as required under LUC [20.35.085](#). Any consolidated appeal will be processed in accordance with LUC [20.35.085](#).
- D. *Judicial Review of Hearing Examiner Decision.* For appeals related to BCC [4.52.080.E](#) and [4.52.110.B](#), the decision of the Hearing Examiner may be appealed to the Superior Court of King County by the appellant Owner or by the Director by filing a proper request for a writ of review with the Superior Court. A request for a writ of

review must be filed within 30 calendar days following the date that the decision of the Hearing Examiner was mailed to the parties. Review by the Superior Court shall be on, and shall be limited to, the record on appeal created before the Hearing Examiner.

4.52.120 Annual reporting.

- A. If the City issues tax exemption certificates pursuant to this chapter, the Director shall submit the report required by RCW [84.14.100](#) to the Department of Commerce by December 31st of each year.
- B. The Director or designee shall review the program established by this chapter and provide a report to the City Council describing development activity, types and numbers of units produced and their locations, rent, information regarding the number of low and moderate income households benefiting from the program, and other appropriate factors. These reports may include recommendations on whether any Residential Targeted Areas should be added or removed, whether affordability limits should be changed in certain areas. The annual report shall be submitted to the City Council no later than March 30th of the following calendar year.

4.52.130 Expiration of program.

Repealed by [Ord. 6480](#).

4.52.140 Conflicts.

4.52.150 Severability.

The provisions of this chapter are severable. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of this chapter and its application are not affected and will remain in full force and effect.
