Slope Stabilization Project: NE 24th Street at 172nd Avenue NE

May 2021

To stabilize the embankment on the north side of NE 24th Street, between 171st and 172nd Avenues, the Bellevue Transportation Department plans to construct a new retaining wall. Associated work includes, but is not limited to, stormwater enhancements, curb, gutter and sidewalk improvements, new bike lane, landscaping, and road restoration.

What to expect

Construction is expected to begin in June and be completed in December. Some work is weather dependent. Construction schedules are subject to change and often do.

- **Approved work hours:** 7 a.m. to 4 p.m., Monday-Friday
- **Traffic control:** Expect lane closures on NE 24th Street
- **Trail closure:** NE 24th Street entrance to Warm Up trail in Ardmore Park will be closed. Follow detours.
- **Pedestrian/bicycle access:** Sidewalk on the north side of NE 24th Street will be closed within the project area
- **Safety:** Follow flaggers' instructions through the construction zone.
- **Noise:** Expect loud noise from construction equipment, especially during drilling.

Funding

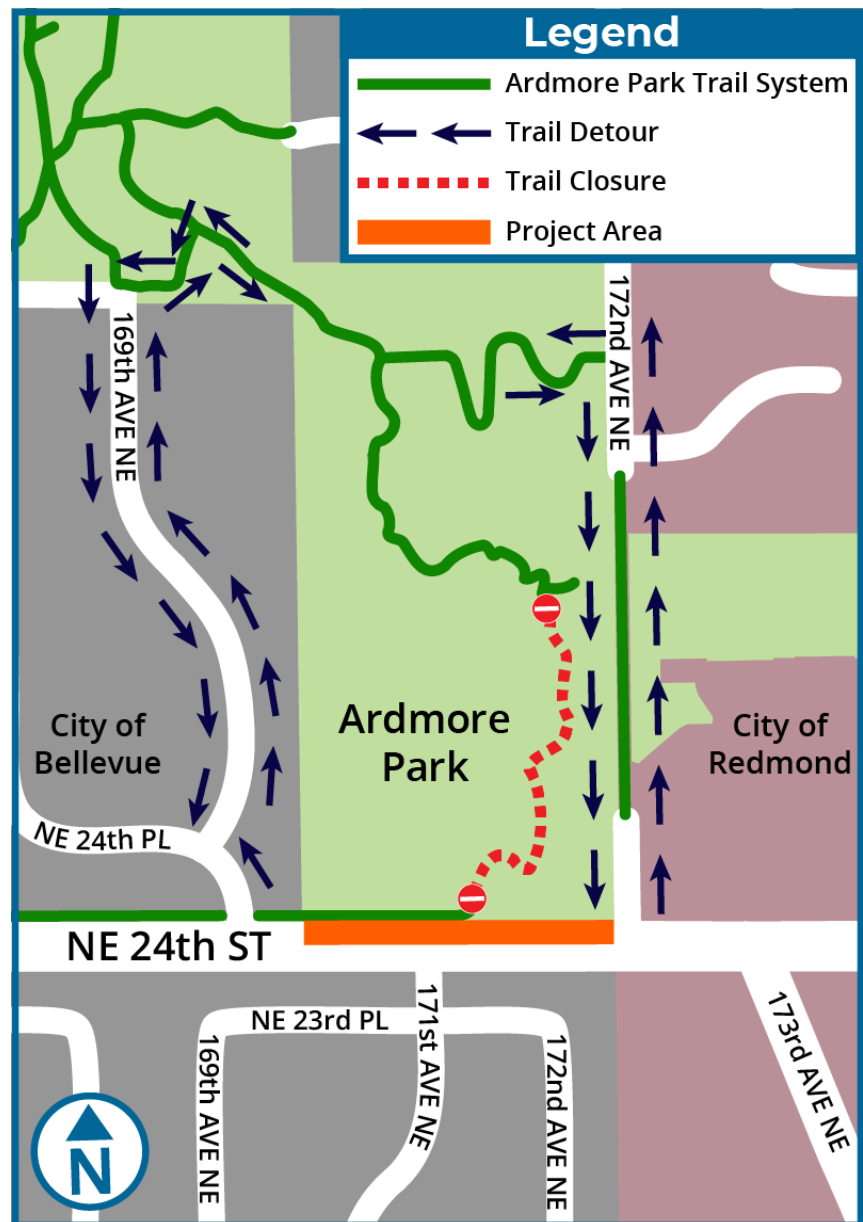

Construction funding comes from the city's Major Maintenance and the Neighborhood Safety, Connectivity & Congestion Levy programs. Estimated cost is \$1.9 million.
