

GNAAC Recommendations – Meeting #2

GNAAC RECOMMENDATIONS TO Conditional Use Permit Recommendation

- 1. Signage: No loitering, no derelict vehicles
- 2. Parking monitoring in the lots to address issues with abandoned vehicles
- 3. Specific review of overflow and self-referral process of CFH
- 4. Length of time for data storage of security cameras
- 5. Blue lights on building campus with direct line to emergency services
- 6. Review parking lot for clear visibility through the site
- 7. Create consistency with campus wide Transportation Management Plan (TMP)

GNAAC RECOMMENDATIONS FOR FUTURE STUDY AND ACTION BY OTHERS

- 1. Increased lighting on SE 32ND Street Transportation Department Lighting Analysis
- 2. Continuous sidewalk to Richards Road Transportation Department TFP Project 247
- 3. Bike lanes review for safety analyses— Transportation Department Review and analyses during Master Development Plan project review Meeting standards

GNAAC RECOMMENDATIONS PREVIOUSLY EVALUATED WITH MDP

- 1. City revisit the traffic estimates and come up with action to minimize impact Reviewed with traffic study and analyses during MDP, all phases were found to comply with standard requirements.
- 2. Neighborhood outreach on safety and traffic Public meetings held to gain input during the MDP process
- 3. Traffic At peak times, limit the left turn capability coming out of the facility (not) onto Eastgate create a Center lane Reviewed possibility during MDP analyses, traffic conditions did not warrant required left turn lane
 - Opportunity to reassess the area if safety concerns arise in the future as the City reserves the right to control access and restrictions on City streets.
- 4. Secure and tall fences on the boundary of SE 32nd Was not required through MDP, no direct access to SE 32nd Street from the site

Presentation by Congregations for the Homeless

LINDA HALL
