# Hate Has No Home Here

## SIGN AND STICKER USAGE GUIDELINES

---

Here in Bellevue, we want to ensure hate has no home. Thank you for helping us share this important message with a sign or sticker in your business, home or vehicle!

Please review and follow the important guidelines below to keep the signs positive and effective.

### **GUIDELINES:**

#### **1. Yard/window signs**

- **DO** place sign(s) on your personal property or in your windows in accordance with any applicable homeowners association or other property regulations.
- **DO NOT** place in public rights of way, including medians, or other private or public property areas.

#### **2. Stickers/window clings**

- **DO** feel free to place stickers/window clings on the inside of windows in visible areas of your own business or vehicle.
  - **DO** check the window stickers often to ensure they have not been damaged or vandalized.
  - **DO NOT** place stickers in or on businesses or properties without the express permission of the business owner.
  - **DO NOT** place stickers on other public or private surfaces such as light poles, benches, public art, vehicles that are not your own, etc.
  - **DO NOT** place stickers in areas where they would impede important lines of sight, such as in the front windows of a vehicle.
-
