Program Overview

Power Up helps leaders of our partner arts and cultural nonprofits reach the next level of organizational development. Our goals are to strengthen our partners' ability to fulfill their mission and increase their capacity to serve Bellevue residents and visitors.

Available Funding and Support

If you're ready for capacity building, develop a project to strengthen your asset to make a positive, immediate impact on the organization. We offer the funding resources to help you get to the next level:

- **Project grant funds:** Do you have a clearly identified capacity need and a one-time project? Receive up to \$5,000 to implement a capacity building project.

Are you ready to Power Up?

Capacity building describes the process of developing your nonprofit's ability to deliver its mission effectively now and in the future by changing what you can do. But not every organization is in the position to do this. Take this free organizational assessment to understand if you have the basics of nonprofit management firmly in place to begin the journey.
