

# 112th Avenue NE Corridor Improvements

July 2020

## Background and benefits

The City of Bellevue Transportation Department is designing a project to make the following safety improvements along 112th Avenue NE, between NE 12th Street and NE 24th Street:

- Replace sidewalk panels on both sides of the street where street trees have or could cause cracking and heaving.
- Install a flashing beacon, mid-block crossing and median island near Hidden Valley Sports Park to enhance pedestrian safety.
- Replace curb ramps to meet federal accessibility standards.
- Install a new traffic signal at 112th Avenue NE and NE 24th Street to improve traffic flow.
- Repave the roadway to improve the pavement and extend its life.
- Add underground conduits to support a future street lighting upgrade project when funding becomes available.

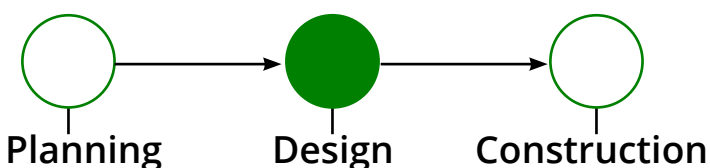

112th Avenue NE facing south towards downtown

## Tree removal and replacement

Street trees are one of Bellevue's valued community urban forest assets because they provide environmental and economic benefits and wildlife habitat. As sometimes happens, tree roots in certain areas have caused sidewalk panels to buckle or heave, now resulting in trip hazards for pedestrians. There are just shy of 60 street trees in the sidewalk along 112th that must be removed and replaced.

Unfortunately, there is insufficient space within the public right-of-way to replace the trees and make the sidewalk wide enough to meet accessibility requirements. For that reason, the trees removed will be replaced with the same or greater number of trees nearby at Hidden Valley Sports Park in an area currently covered with invasive plant species.

## Project schedule

This project is currently in the design phase. Next steps include permit application, finalizing design and advertising the project for construction bids. Construction is anticipated to start in late fall and be complete by summer 2021.

## Funding

This project is primarily funded by the Neighborhood Sidewalks Program and the Neighborhood Safety, Connectivity and Congestion Levy with support from other capital investment funding sources. Estimated construction cost is \$2.75 million.

# 112号大道东北通道提升改造

## 项目背景及益处

贝尔维尤市交通部门正在进行项目规划，旨在提升112号大道东北沿路安全，在东北12号大街和东北24号大街之间：

- 替换道路两侧人行道路面的地砖，此处的行道树已经或可能造成路面开裂、隆起。
- 在路口交叉处以及隐谷体育公园附近的中央岛安装闪动标灯，提升行人过街安全。
- 替换路边坡道以达到联邦无障碍标准。
- 在112号大道东北和东北24号大街安装全新的交通信号灯，改善交通通行状况。
- 重新铺设道路，改进提升路面，延长其使用寿命。
- 增添地下管道，预先做好准备，等资金到位，将升级该街区路灯照明设施。

## 树木移除及替换

行道树是贝尔维尤珍贵的都市社区森林资产，因为它们不仅具有环境和经济价值，同时也是野生动物的栖息地。但有时候，由于树木根部的生长，导致部分地区的人行道路面发生沉降和隆起，现已造成行人绊倒的风险。沿112号大道的行人道中有不到60棵树必须被移除和替换。

不幸的是，公众通行权没有足够的空间要求移除这些树木、并拓宽行人道，以满足无障碍要求。因此，如果移除树木，将需要在附近的隐谷体育公园内补栽同等数量及以上的树木，该公园现有一块区域由外来入侵植物覆盖，可用于此目的。

## 项目进度

目前该项目处在设计阶段。下一步包括申请施工许可、确定设计、广告工程进行施工招标。预计将于深秋开始建设，至2021年暑期完工。

## 资金投入

该项目资金主要来源于社区行人道项目，及社区安全、连接和拥堵税，同时也有其它资本投资。预计施工成本为\$275万。

## 相关信息

若您需要活動采用其他形式，或者需要幫助排除其他妨礙你參與活動的障礙，請至少於48小時前致電425-452-2064 或電郵 email [mjensen@bellvuewa.gov](mailto:mjensen@bellvuewa.gov)通知我們。投訴請撥425-452-6168 聯繫貝爾維尤市「美國身心障礙者法案/反歧視法」之管理員聯絡。聽障或重聽人士請撥711。所有會議皆有無障礙通道。
