

NEIGHBORHOOD LEADERSHIP GATHERING

Shaping Our Future: Bellevue's Comprehensive Plan

YOU ARE INVITED

Thursday, Feb. 17 | 6:30–8 p.m. | ZOOM

Bellevue's Comprehensive Plan is the city's primary tool for addressing growth. It outlines a vision for the future and provides policy direction for how to get there. Through the planning process the community works with city staff to explore the questions: "Who are we today?", "Where do we want to be in the future?", and "How will we get there?"

The vision and policies that will shape the next 20 years are best when the entire community contributes their voice. We want to hear from you—how would you describe the key characteristics of Bellevue twenty years from now? The Neighborhood Leadership Gathering will be the first of many opportunities to participate in this process.

Join Emil King, Community Development Planning Director, Thara Johnson, Comprehensive Planning Manager and key city staff for a presentation and Q and A. You will also be invited to sign up as Neighborhood Ambassadors and can assist in broadening community participation in the upcoming Major Comprehensive Plan update.

All are welcome to attend. Neighborhood Leadership Gatherings are open to anyone invested in the quality of life in Bellevue's neighborhoods. Please RSVP to neighborhood-leadership-gathering-comp-plan.eventbrite.com to receive the ZOOM link.
