I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself or my child(ren) (including but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I, or my child(ren) may experience or incur in connection with my or my child(ren)'s attendance at the facility or participation in the program or activities. I understand that this release includes any claims based on the actions, omissions, or negligence of the City, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in the City program or activity.

IN ADDITION, I AGREE TO COMPLY WITH ALL COVID-19 SAFETY POLICIES AND PROCEDURES OF THE FACILITY OR PROGRAM/ACTIVITY IDENTIFIED HEREIN.

I acknowledge that I have carefully read this WAIVER OF LIABILITY / PHOTO & VIDEO RELEASE / ASSUMPTION OF RISK AND WAIVER OF LIABILITY RELATING TO COVID-19 and fully understand that I am waiving any right that I may now or hereafter have to bring a legal action to assert any claim against the City of Bellevue in connection with my or my child(ren)'s participation in this activity.

Inclusion Process

Bellevue Parks & Community Services provides a variety of programs, activities, and services. We are committed to working with people with disabilities, their families, and caregivers to help ensure they have access to services. We provide information about program opportunities and when needed, modifications that make it possible for participants to access and participate in programs of their choice.

We welcome the opportunity to provide modifications for people with disabilities so that full participation in leisure and recreation programs, classes, services, and facilities may be enjoyed by all. The City provides reasonable modifications on a case-by-case, individualized basis including, but not limited to, training of staff, added supervision, use of adaptive equipment, consultation with other professionals, and taking other steps to ensure a safe and enjoyable leisure experience.

Successful participation and modifications succeeds with the commitment of staff, participants, as well as parents/guardians. You may request modifications during the registration process, or any time after registration. Participants are asked to notify staff regarding reasonable modifications necessary for participation, if possible, at least two full weeks prior to the start of the program. However, in some cases we may need more time to make a reasonable modification. The city strives to provide a safe and enjoyable environment and will do this cooperatively with all participants.

Individuals who have requested a modification will receive the city's best efforts at providing adaptations and reasonable support in programs, activities, and services. The city will continue to adapt ideas until all possibilities are exhausted. The city reserves the right to take any and all steps necessary, at any time, to ensure the safety and fundamental nature of its programs, classes, or activities. Inclusive experiences encourage and enhance opportunities for people of varying abilities to participate and interact in life's activities together. They also provide an environment that promotes and fosters physical, social and psychological inclusion of people with diverse experiences and skill levels. Additionally, inclusion is effective in developing community support and encouraging attitudinal changes to reflect dignity, selfrespect, and involvement within the community. Recreation and socialization activities and programs provided by Bellevue Parks & Community Services promote healthy social, physical, educational, and cultural development. Inclusion allows those with differing abilities the opportunity to participate in City of Bellevue recreational programs. Inclusion increases the number of recreational choices, allows for individual growth and development, expanded social circles. Adaptive recreation programs provide choice, support skill development, and successful recreation participation for participants with disabilities.

For more information about our inclusion process, or our adaptive recreation programs for youth and adults, contact Highland Community Center at 425-452-7686.
