CIP PW-W/B-85 (Growth Corridor High Comfort Bicycle Network Implementation)

1. \$4.5 million in 2023-29 CIP.
2. Design and implement rapid-build bicycle projects on existing streets in the Downtown, Wilburton, and BelRed neighborhoods.
3. Establish grid of safe and comfortable connections to key destinations for people of all ages and abilities.

Project Area Map

Public Engagement - Purpose

NE 12th Street west of Bellevue Way

- Expand **community awareness** on Bike Bellevue
- Enable public to **inform project design refinements**
- Enable public to **inform project prioritization**
- **Report public input** to the Transportation Commission

Public Engagement - Strategies

NE 12th Street west of Bellevue Way

- Transportation Commission
- Focus Groups
- Online Presence
- Public Open House
- Direct Engagement and Feedback
- Mailer/Media
- Coordination/Collaboration

Bike Bellevue Principles

1. **Safety:** Reduce the frequency and severity of crashes and minimize conflicts between roadway users through bikeway design.
2. **Connectivity:** Implement a connected network of bicycle lanes that facilitate access to major destinations.
3. **Comfort:** Design bicycle lanes that maximize separation between motor vehicles and people bicycling on streets with higher speed limits and more vehicle traffic.
4. **Evaluation:** Use a data informed approach to evaluate impacts to all modes of travel and design the program to maximize the mobility of all modes.

Bike Bellevue Principles

- 5. Coordination:** Coordinate transportation and land use efforts underway in Bellevue to ensure equity and sustainability outcomes are aligned.
- 6. Partnerships:** Identify partnership opportunities to advance the implementation of bicycle projects.
- 7. Engagement:** Engage community stakeholders in setting the priorities for Bike Bellevue investments.
- 8. Equity:** Promote equity and inclusion in the development and delivery of bicycle projects.

Bike Bellevue Timeline

- **March 27, 2023:** Direction from City Council and approval of guiding principles
- **Q2-Q4 2023:** Prepare Transportation Commission recommendation
 - Environmental review
 - Project designs and costs
 - Sequencing priorities
 - Public input
- **Q1 2024:** Transmit recommendation to the Transportation Director followed by implementation
