

## Hate Crimes and Bias Incidents – 2021

A **hate crime** involves the suspect committing a crime motivated by the suspects perception of the victim’s race, color, sexual orientation etc. and a **bias incident** is an act of prejudice that is not criminal and does not involve threats, violence, or property damage. A bias incident may include yelling profanity and insults, distributing racist flyers in public places, and displaying hateful materials on private property.

In 2021 there were 11 hate crimes (criminal) and 18 bias incidents (non-criminal).

The hate crimes and bias incidents reported in 2021 were as follows:

| Bias Type                      | Hate Crime | Bias Incident |
|--------------------------------|------------|---------------|
| Anti-Asian                     | 2          | 9             |
| Anti-Black or African American | 3          | 1             |
| Anti-Gay (Male)                | 1          | 1             |
| Anti-Hispanic or Latino        | 1          | 1             |
